Product Description

- 1. Power ON/OFF Start/Pause 2 Play/Ston/Phone Button
 - 3. Volume Up/Next Song 4. Volume Down/Previous Song
 - 5. Charging Port

Charging Instructions

- The Bluetooth® headphones comes with a built in rechargeable battery. Before using it for the first time we recommend you charge the battery fully. Only use the supplied USB Cord to charge the Bluetooth® headphones. Please charge
- . Connect the USB charging cable to a computer USB port and the Micro USB blug to the charging port of the device. The red LED light turns on while the device is charging. It takes 2-3 hours for the unit to fully charge. When the battery is fully charged, the red light will turn off,

Turning ON/OFF the device

 Press and hold the Power button for 2-4 seconds to turn ON or OFF the device with the sound "Powering ON" or "Powering OFF"

Note: Make sure headphones have been fully charged 2-3 hours before pairing. Pairing headphones

- Ensure the device is turned OFF, press and hold ON button for 2-4 seconds to turn ON, you will hear "Powering on". LED will flash rapidly. Make sure the Bluetooth® headphones and Bluetooth® device are no further than 3 feet apart.
- Activate the Bluetooth® function on your Bluetooth® device. (Please refer to the
- Once you have activated Bluetooth® on your device, select the "Air Maestro" from the list of available Bluetooth® devices.
- . Once successfully connected you will hear "CONNECTED" and the LEDs will slowly flash blue.
- You can now start to use the device.
- Pairing mode on the device will last for around 10 minutes. If no devices are connected within 10 minutes the device will power OFF automatically.
- + If connection is unsuccessful turn off the device first and then re-connect

- Once you have connected the Bluetooth® headphones with a device, the headphones will remember this device and will pair automatically when the device's Bluetooth® is activated and in range. You do not need to re-pair any previously connected devices.
- The Bluetooth® headphones will attempt to automatically connect to the last device it was paired with when switched on. If you want to pair it with a new device, please follow the steps outline above
- Once the headphones are paired with your device the music will transmit through the Bluetooth® headphones. Please refer to your device's user manual for further information.

Listening to Music

Once headphones are paired with your device you can stream music wirelessly through the Bluetooth® headphones. Should you encounter any problems while streaming please refer your device's user manual for further information.
