

<MakerBot Industries LLC>

Declaration of Product Modifications

Date: Sept 23, 2022

This is to request a Class II permissive change for FCC ID: 2AUPB-MAKERBOT-S originally granted on Feb 14, 2020.

The major change filed under this application is:

Change #1: The built-in power supply has been replaced on the 3D printer of the original product. The new built-in power supply model is A-150FKE-24P, the new built-in power supply output is unchanged, and the rest remains unchanged. This will not affect the voltage of RF part. Updated test report the AC power conducted emission and radiated emission is tested.

Sincerely,

(Signature)
