

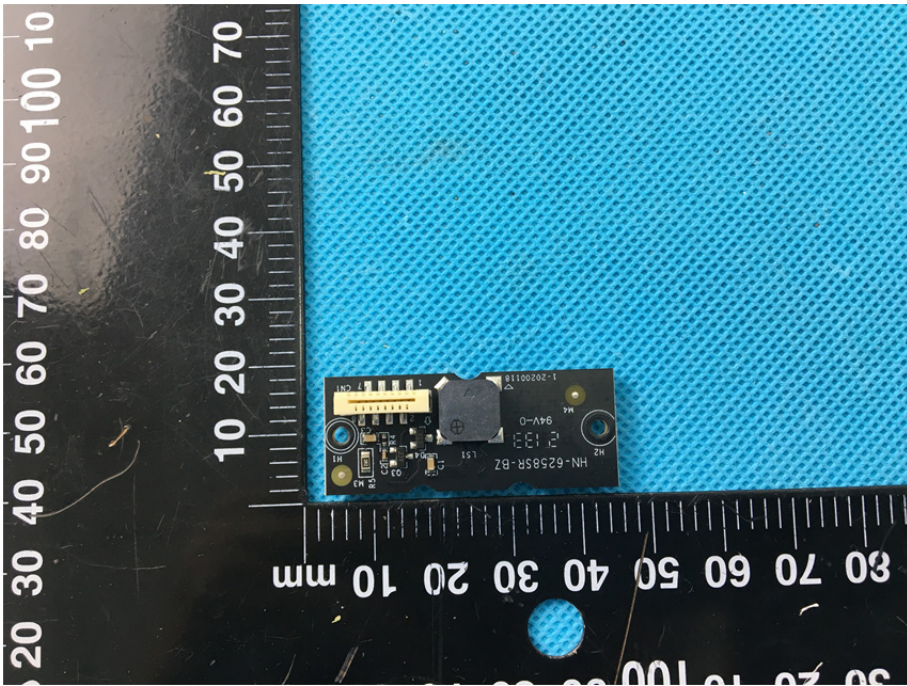

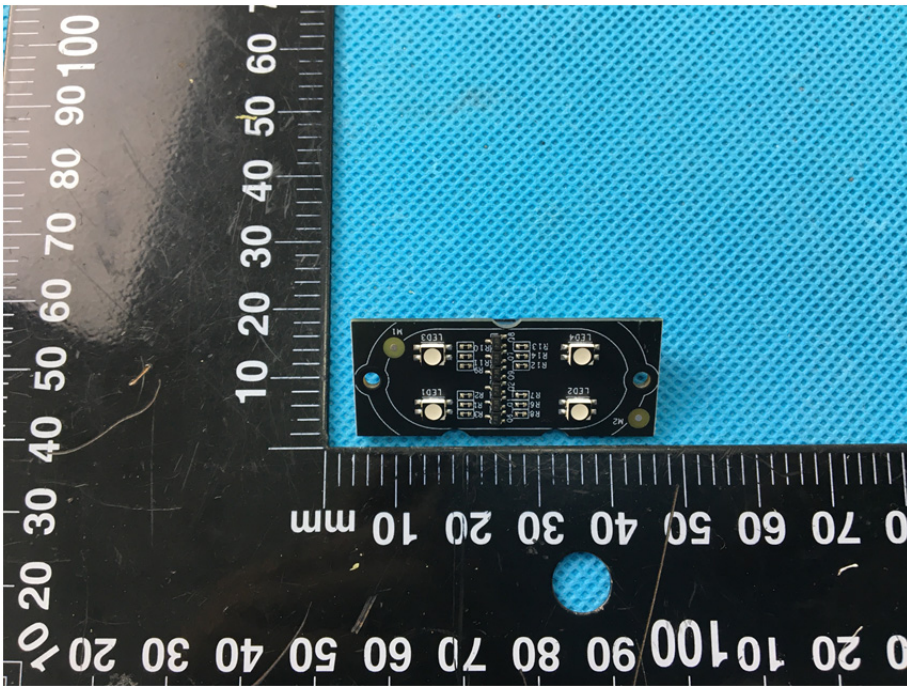

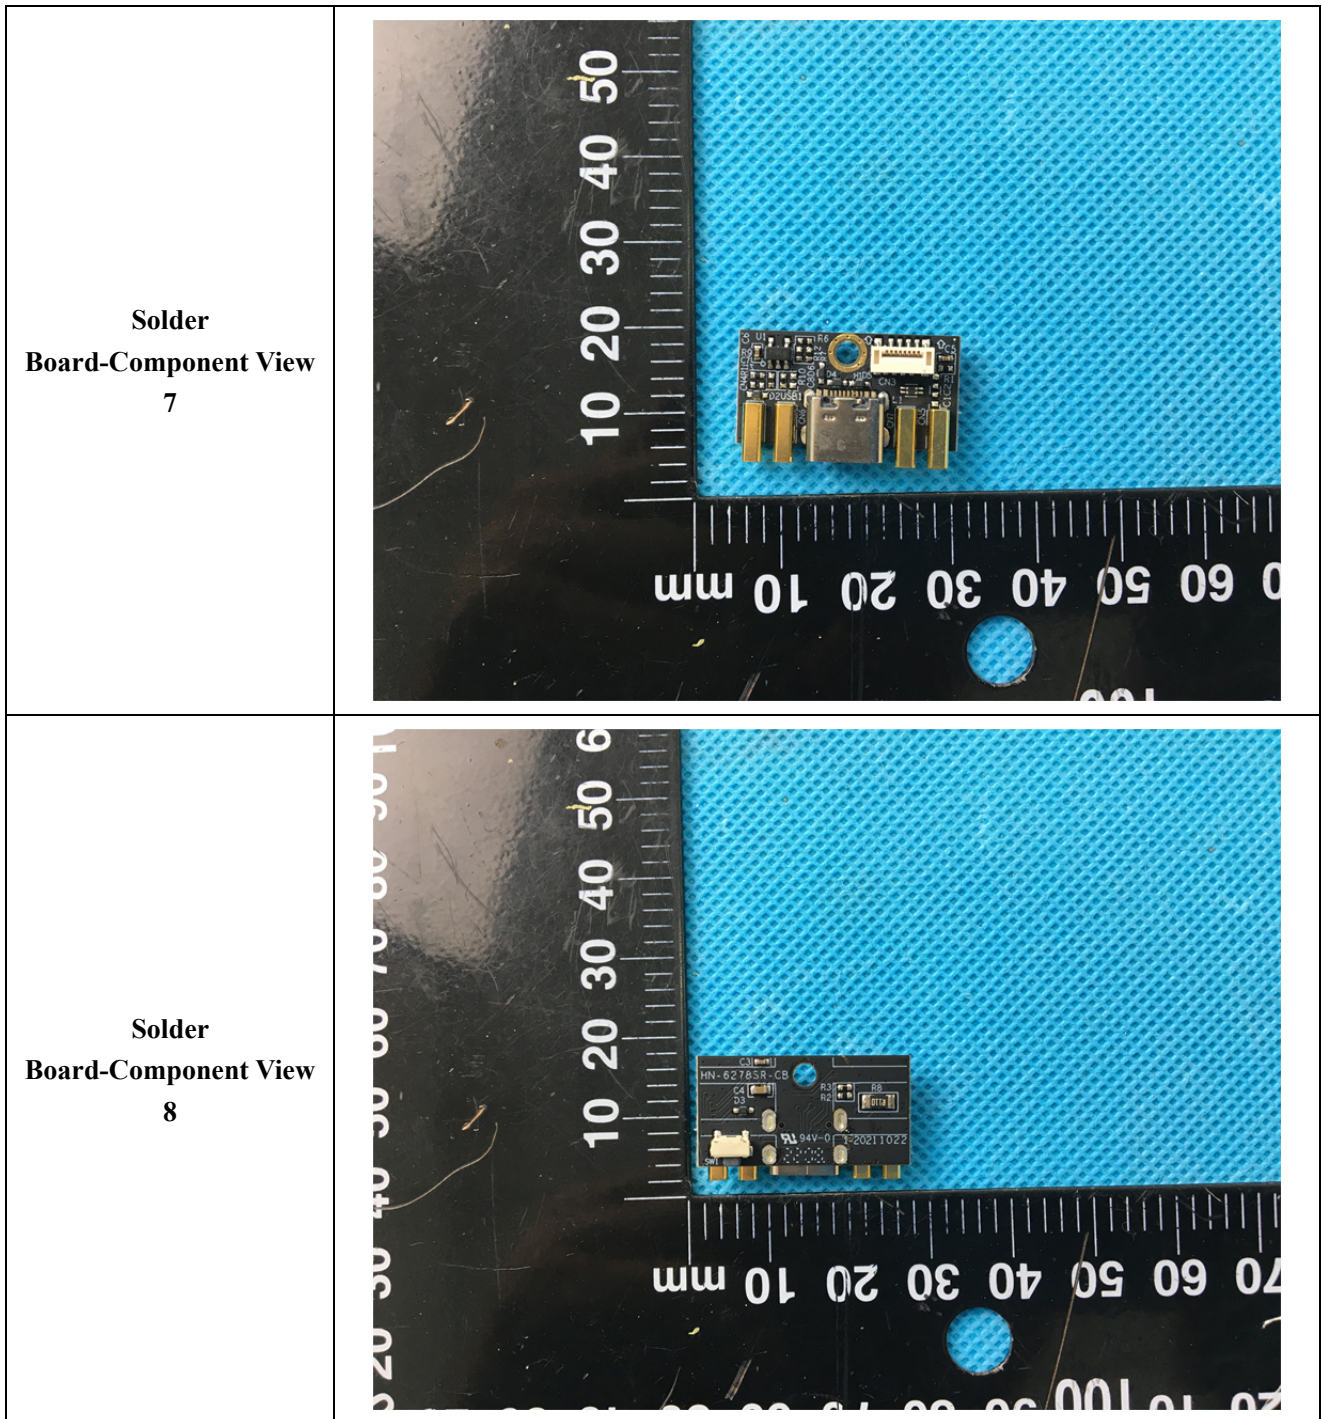

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

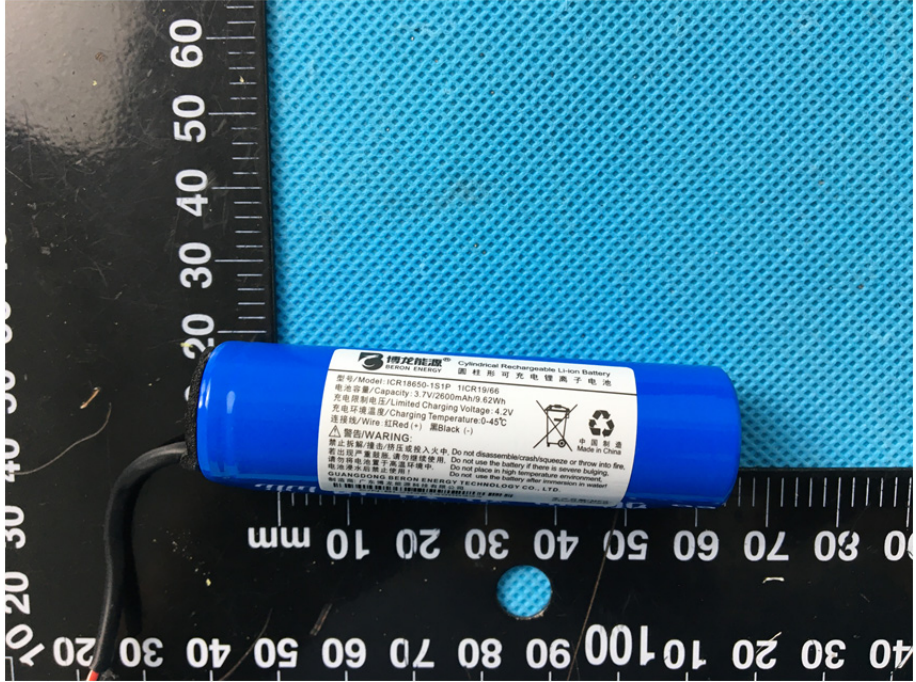

<p><b>EUT Housing and Board View 1</b></p>	
<p><b>EUT Housing and Board View 2</b></p>	

<p style="text-align: center;"><b>Solder Board-Component View 5</b></p>	 <p>A photograph showing a small electronic component, likely a sensor or microcontroller, mounted on a blue textured PCB. The component is rectangular with a gold-colored connector on the left side. It is placed on a black ruler for scale. The ruler shows markings in millimeters, with the component positioned between the 10 mm and 70 mm marks. The component has several labels, including 'HN-62585R-BZ', '94V-0', and '1-20200118'.</p>
<p style="text-align: center;"><b>Solder Board-Component View 6</b></p>	 <p>A photograph showing a different view of a small electronic component, likely a sensor or microcontroller, mounted on a blue textured PCB. The component is rectangular with four circular components (possibly LEDs or sensors) arranged in a 2x2 grid. It is placed on a black ruler for scale. The ruler shows markings in millimeters, with the component positioned between the 10 mm and 70 mm marks. The component has several labels, including 'HN-62585R-BZ', '94V-0', and '1-20200118'.</p>
