

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A photograph showing a black handheld device with a white oval sensor area on its top surface. To the right of the device is a coiled black cable with a connector. A black ruler with white markings is placed vertically to the left of the device and horizontally below it for scale. The background is a light blue textured surface.
<p>EUT View 2</p>	 A close-up photograph of the black handheld device, focusing on the white oval sensor area. A black ruler with white markings is placed vertically to the left of the device and horizontally below it for scale. The background is a light blue textured surface.

<p>EUT View 3</p>	 A black handheld device is shown from a front-facing perspective. The device has a rectangular body with a white '0' on the front face and a short, rounded handle extending upwards. It is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler shows measurements in millimeters and centimeters.
<p>EUT View 4</p>	 A side view of the black handheld device is shown. It features a trigger on the left side and a button on the right side. The device is placed on a blue textured surface next to a black ruler for scale. The ruler shows measurements in millimeters and centimeters.
