

<p><b>EUT View 5</b></p>	 A black handheld device, likely a barcode scanner, is shown from a top-down perspective. The device has a circular lens at the top and a handle extending to the right. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters, with the device's length being approximately 100 mm.
<p><b>EUT View 6</b></p>	 A black handheld device, likely a barcode scanner, is shown from a side perspective. The device has a handle on the left and a flat top surface on the right. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters, with the device's length being approximately 100 mm.
