

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A photograph showing a blue printed circuit board (PCB) component, likely a USB drive, placed on a light blue textured surface. The component is positioned next to a black L-shaped ruler for scale. The ruler has markings in millimeters and centimeters. The component is oriented vertically, with its gold-plated USB connector at the bottom. The PCB has various markings, including "GPII" and "0.5MP".
<p>EUT View 2</p>	 A photograph showing the same blue PCB component from a different perspective. The component is now oriented horizontally, showing its top surface. It is placed on the same light blue textured surface next to the same black L-shaped ruler. The component is a rectangular blue plastic housing with a small opening on the top edge.
