

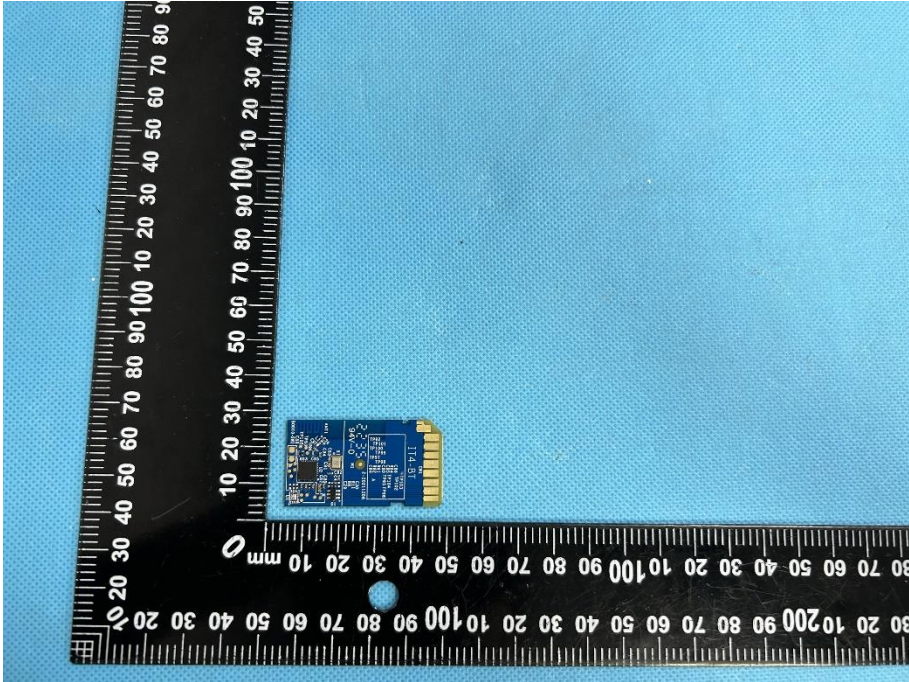

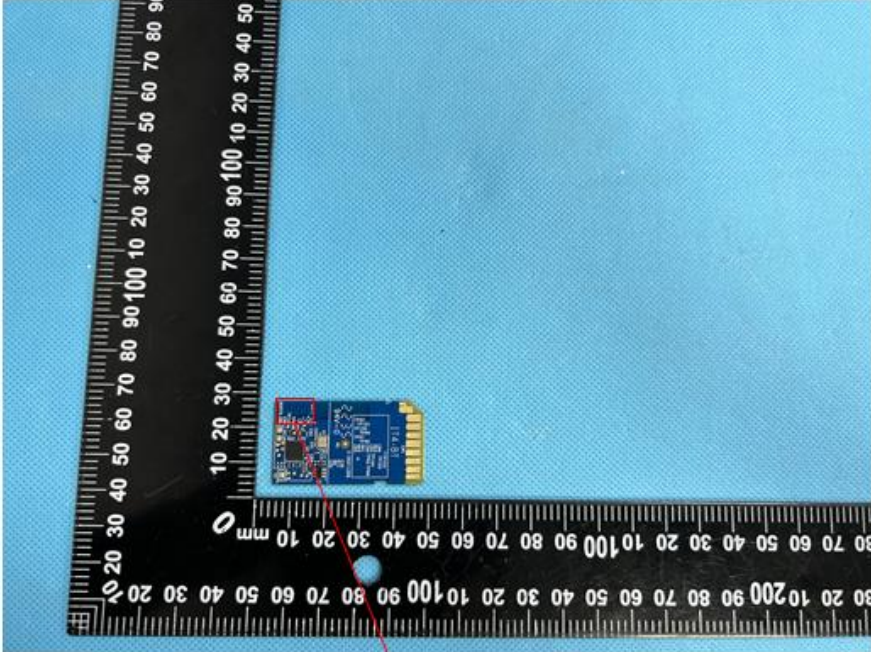

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>Solder Board-Component View 1</p>	 A photograph showing a blue PCB component with gold-plated pins, mounted on a blue PCB. The component is positioned next to a black L-shaped ruler for scale. The ruler has markings in millimeters (0-100) and centimeters (0-10). The component is oriented vertically, with its pins pointing downwards.
<p>Antenna View</p>	 A photograph showing the same blue PCB component as in the first view, but from a different angle. A red box highlights a small component on the board, and a red line points from this box to a label "BT Ant." in a white box with a red border. The ruler and scale are also visible in this view.
