

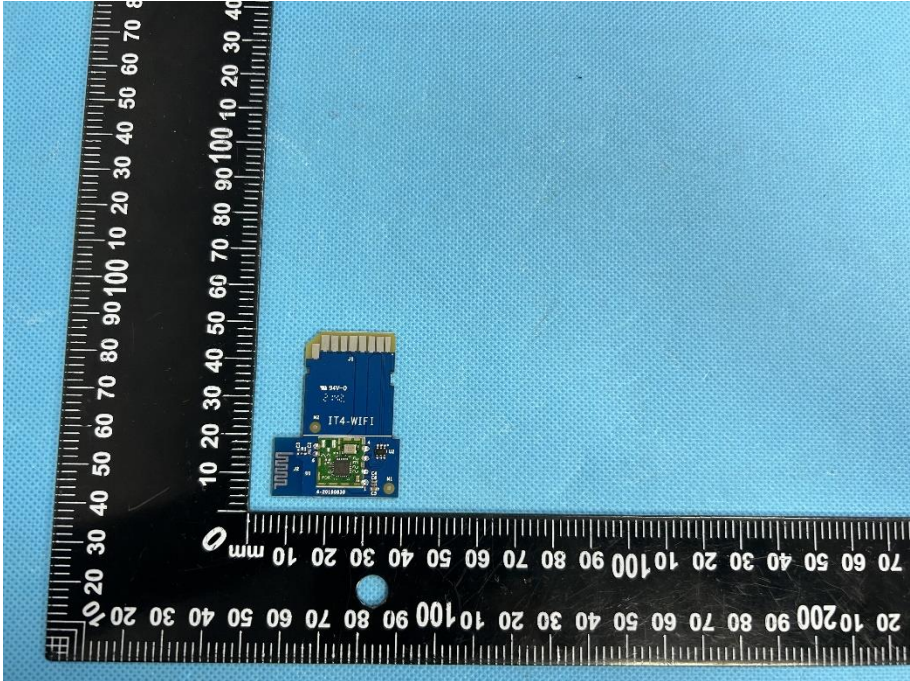

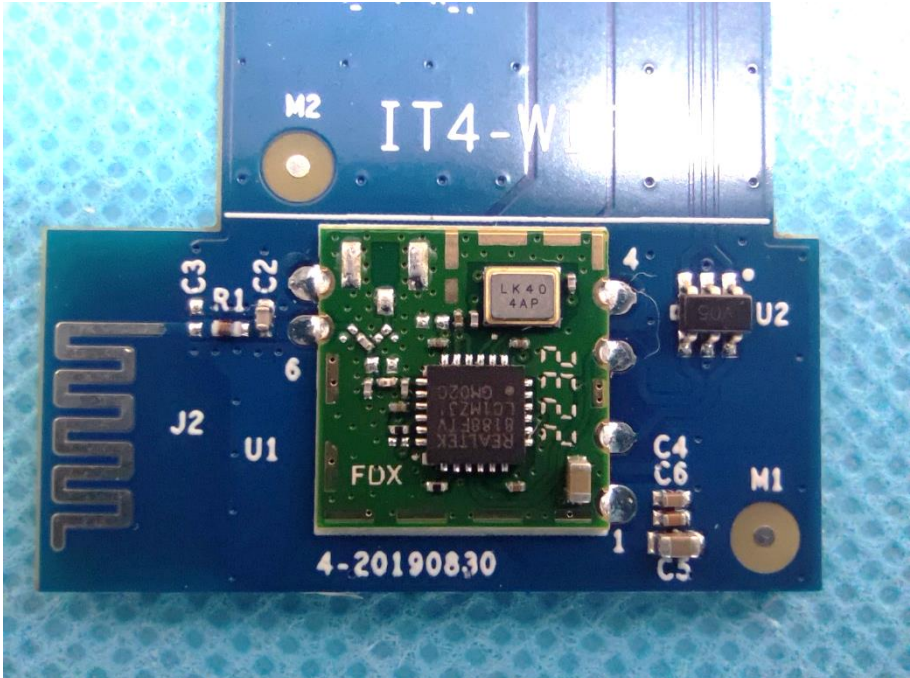

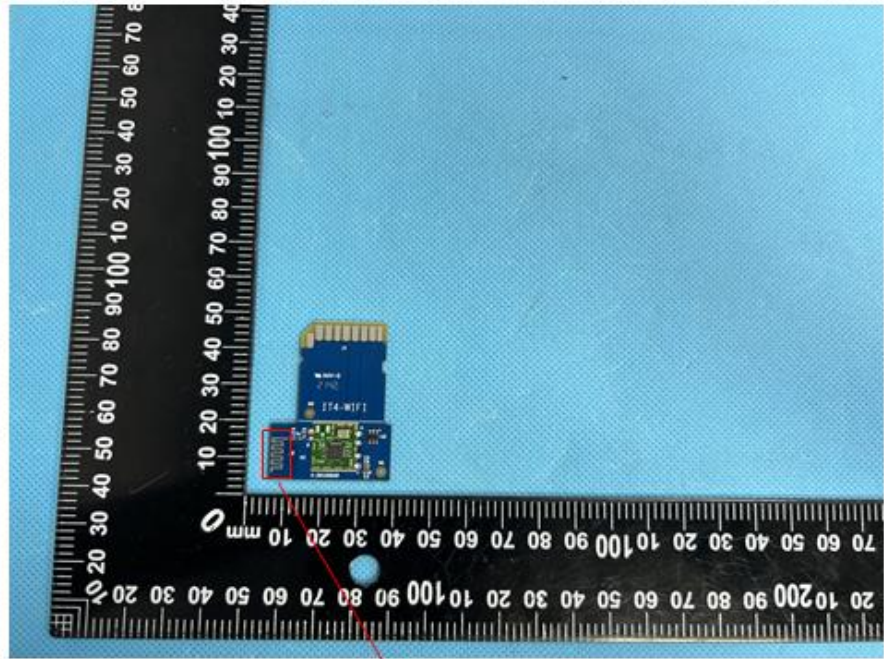

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p><b>Solder Board-Component View 1</b></p>	 <p>A photograph showing a blue PCB component with a gold-plated edge connector. The component is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The component is labeled "IT4-WIFI" and "4-20190830".</p>
<p><b>Solder Board-Component View 2</b></p>	 <p>A close-up photograph of the blue PCB component. The component is labeled "IT4-WIFI" and "4-20190830". It features a central green PCB with a Realtek RTL8861V chip, a Realtek FDX chip, and a Realtek GM20C chip. Other components include an LK40 4AP chip, a U2 chip, and various capacitors (C1, C2, C3, C4, C5, C6) and resistors (R1). There are also two circular components labeled M1 and M2, and a connector labeled J2. The component is soldered to a blue PCB.</p>
