Statement of FCC ID show in User Manual

Date: October 28, 2019

American Certification Body, Inc.
6731 Whittier Avenue
Suite C110
McLean, VA 22101

To Whom It May Concern:

This device **MegaRing / BodiRing** is so small that it is impractical to label it with the FCC Identifier in a font that is four-point or larger, and the device does not have a display that can show electronic labeling, so we here declare that the FCC ID is placed in the user manual and must also either be placed on the device packaging or on a removable label attached to the device.
