

Request for Confidentiality for Internal Photos

Date: November 21, 2023

Subject: Confidentiality Request for: 2AUUC-YOGA40W00

Pursuant to FCC 47 CFR 0.457(d) and 0.459 the applicant requests that internal photos of the subject application be held confidential permanently.

Saankhya Labs Pvt Ltd has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the internal photos easily available to "competition" would negate the advantage they have achieved in the internal arrangement of boards to minimize interference. Not protecting the details of the design will result in financial hardship.

This product is mounted on towers and is not accessible to the public. It is only serviceable by professional designated technicians under a Non-Disclosure Agreement (NDA).

All sales for these devices are under a NDA restricting the disclosure of the propriety information, including internal photos.

Sincerely,

By: _____
