

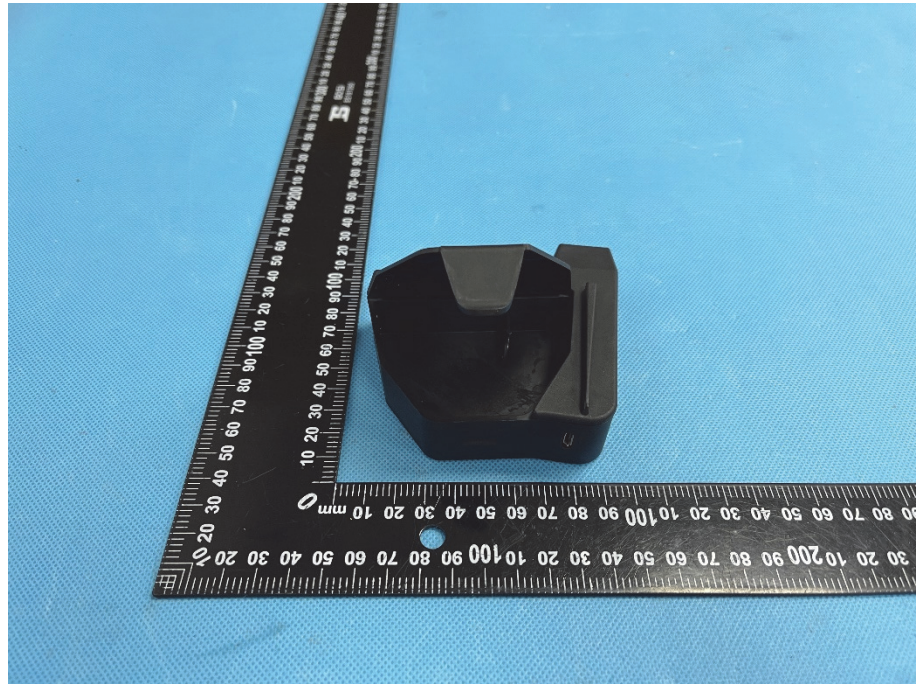

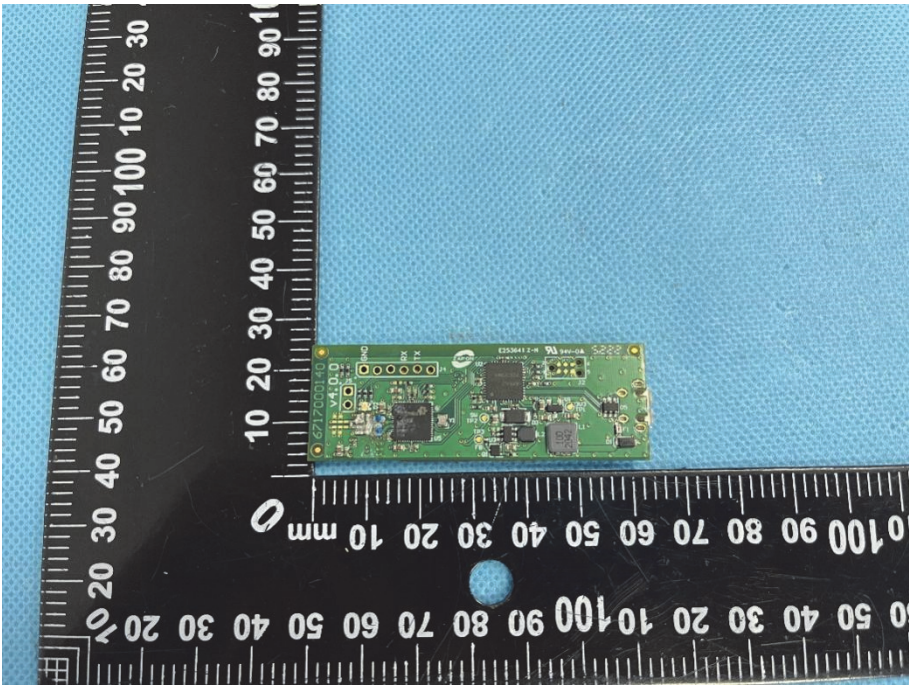

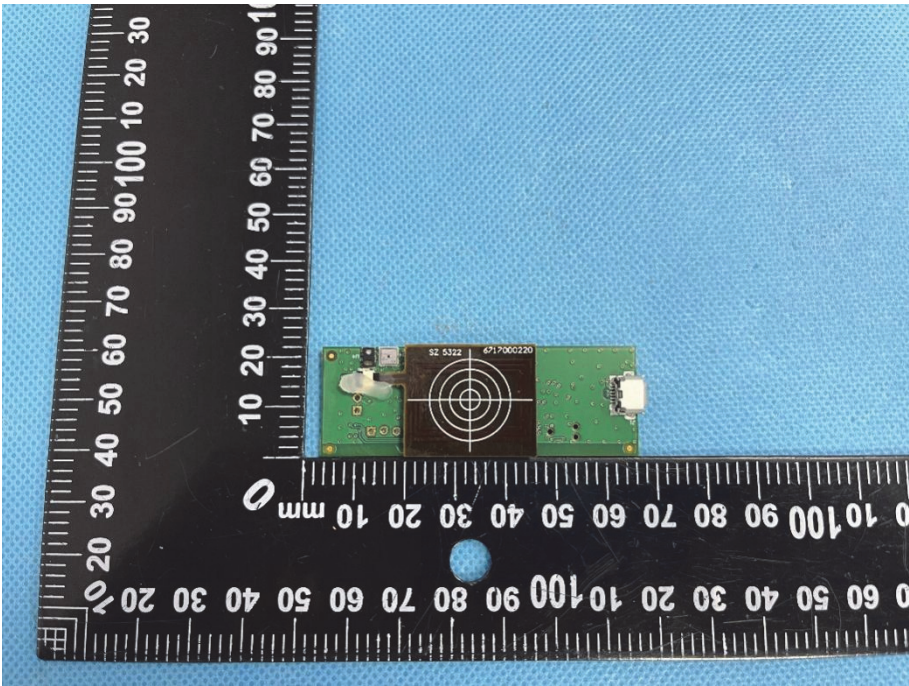

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a small green printed circuit board (PCB) component, likely a microcontroller or sensor module, placed on a blue textured surface. The component is rectangular with various electronic components visible, including a large black integrated circuit (IC) in the center. It is positioned next to a black ruler with white markings, which shows dimensions in millimeters. The ruler is oriented vertically, with the component's length corresponding to approximately 10 mm and its width to approximately 15 mm.
Solder Board-Component View 2	 A photograph of the same green PCB component from a different perspective, showing its underside. The component is rectangular with a central black IC and various surface components. It is placed on a blue textured surface next to a black ruler with white markings, oriented vertically. The component's length is approximately 10 mm and its width is approximately 15 mm.
