RE: CONFIDENTIALITY REQUEST FOR:
EUT NAME: Contactless Smart Card Reader with Keyboard Emulation
MODEL : CIR615A
FCC ID:2AUVM-CIR615A
To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the Contactless Smart Card Reader with Keyboard Emulation Model: CIR615A required to be submitted with this application be permanently withheld from public review.

Block Diagram, Schematic, BOM, Operational Description / Architecture, the above documents are company proprietary information that could never get into the possession of your competition.

Please contact me if there is any information you may need.

Sincerely,

Handwritten signature in Japanese characters '奥田 正美' (Okuda Masami) next to a red circular seal containing the characters '奥田' (Okuda).

M Okuda, Manager
