EzCon Repeater
TM433-1

Package Contains

Precautions for safe use

FCC WARNING STATEMENT

FCC STATEMENT :

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation of the device.

FCC NOTICE :

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio / TV technician for help.

FCC WARNING :

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Safety information

Please read this manual carefully before installing and operating.

General safety warnings

- This product is for indoor use but not suitable for outdoor use.

- Do not place or allow the EzCon repeater to come into contact with water, fire or high-temperature environments.
- Do not expose the EzCon repeater to rain or wet conditions. Water entering the unit will increase the risk of electric shock.
- Do not puncture, damage or deform the EzCon repeater.
- Do not use chemical/corrosive/solvent or bleach to clean the EzCon repeater as this may damage the housing of it. Please wipe it with a dry and clean cloth.
- Do not use this product if it is damaged in any way.
- Do not disassemble the EzCon repeater; take it to a qualified service center when service or repair is required.
- The micro USB of EzCon repeater only uses the data connection terminals with the EzCon remote controller and not the power terminals, it isn't capable of powering any type of peripheral or charging your device.

Components

Product specifications

Product Name	EzCon Repeater
Model	TM433-1
Rated Input Voltage	100-240V AC / 50~60 Hz
Receiving Frequency	433.92MHz
Transmitting Frequency	433.92MHz
Net Weight	97g
Dimension	L113.5* W65 * H54 mm
