Subject: **Application for FCC Grantee Code 2AUWF (FRN 0028925014)**

Dear Sir / Madam:

On behalf of applicant Track Patch 1 Corp, FRN 0028925014, we, Allazo Electronics, applicant's authorized agent, submit an application for model TPPW0001 (Model TPPW0001 is also known as "Alerta System Transmitter," or FCC ID 2AUWF-TPPW0001). We are seeking Original Certification per Part 15.247 spread spectrum.

Model TPPW0001 operates at frequency 915MHz, without frequency-hopping functionality, contains Silicon Labs SI4455-C2A-GM, and includes two chip antennas, Johanson Technology 0915AT43A0026E. It is powered by a 2032 coin cell battery.

The TPPW0001 model was tested to and complied with the requirements of Part 15.247.

Sincerely

A handwritten signature in black ink, appearing to read "Justin Beres", written over a horizontal line.

Justin Beres
