RMA183

FCC ID: 2AUYFRMA183

Tap and hold
the touch key

FCC ID:2AUYFRMA183

B. Access to the required information on the e-label

Steps to searh regulatory information: About ---> FCC ID

1.Users are able to access the information in no more than three steps in a device's menu. The actual steps are:

TO access the e-label information,in the device,

No special access codes or permissions are required to go through the above steps beyond entering a user-defined password to protect against unauthorized access to the device

2. The information is stored on the device, no special accessories or supplemental plug-ins(e.g.,a SIM/USIM card) are required to access the information.
YES

3. Users are provided specific instructions on how to access the information.
This quick start guide is in the Smart Watch box to Provide informational instructions to users.

C .Labeling for Importation and purchasing

1. Products utilizing e-labels are required to have a physical on the product at the time

of importation,marketing and sales. For devices imported in bulk and not packaged individually,a removable adhesive label or,for devices in protective bags,s label on the bags is acceptable for this purpose. Any removable label shall be of a type intended to survive normal shipping and handling and must only be removed by the customer after purchase, For devices imported already in individual packages ready for sale,the information may alternatively be provided on the package. It shall contain:

1.The FCC ID and/or the Doc logo (if applicable):

2. Any other information required by specific rule to be provided on the surface of the product unless such information is permitted to be included in the User′s manual or other packaging inserts.

FCC ID and model are preset on the packaging bag of the device

D. Other considerations

1. The above information must be programmed by the responsible party and the information must be secured in such a manner that third-parties cannot modify it.

The e-label information is pre-programmed by the grantee. The user cannot modify the e-label information

2.All the applicable regulatory information required on the packaging or user instructions must be provided according to the rules even if it is displayed electronically. For example,hearing aid compatibity (HAC) ratings for the Smart Watch as specified in 47 C.F.R. 20.19

Yes ,it is provided.
