<p>3. Battery liquid may be harmful if contacted with skin or clothes, your skin might be hurt. Please immediately wash it with water, or go to hospital at once to seek medical help if necessary.</p> <p>4. If there are any abnormalities like high temperature, discoloration, distortion, bulging, leakage, etc. during operation, charging or generation, please cease to use the device.</p> <p>5. Do not expose the battery liquid to eyes. It might cause potential hazard if contact.</p> <p>6. When happens, wash your eyes immediately or go to the hospital if contact.</p> <p>7. Do not disassemble or modify the battery, as it may cause battery leakage, overheating, explosion or fire.</p> <p>8. Do not place or use the battery near fire, heater or other high temperature places. Otherwise, it may cause battery leakage, overheating, explosion or fire.</p> <p>9. Do not place the battery in airtight container, or other high temperature areas. Otherwise, battery leakage and overheating may make battery performance descend and service life affected. Keep the battery in well-ventilated area.</p> <p>10. Do not use the battery to connect it with a high-voltage power supply, otherwise it may cause a short circuit or burst.</p> <p>11. The battery can be charged and discharged hundreds of times at least, but it will eventually wear out.</p> <p>12. Do not dispose the battery as household waste. Dispose the battery according to local regulations.</p> <p>Caution: Risk of explosion! Battery is replaced by an incorrect type. Dispose of used batteries according to the user manual.</p>	<p><b>Warning:</b> Please do not charge the battery over 12 hours.</p> <p><b>Other matters of attention</b></p> <p>1. Adapter shall be installed near the equipment and shall be easily accessible.</p> <p>2. If any part of the product is cracked or damaged, discontinue use immediately and contact the realme Service Center.</p> <p>3. To prevent possible hearing damage, do not listen at high volume levels for long periods.</p> <p><b>Waste Electrical and Electronic Equipment (WEEE)</b></p> <p>This symbol means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, user has the choice to give this product to a competent recycling organization. Proper recycling of your product will protect human health and the environment.</p> <p>→ realme will seek shared responsibility and cooperation from customers in reducing the environmental impact of its products.</p> <p>→ realme will comply with all the applicable laws related to WEEE management.</p> <p><b>EU Declaration of Conformity (DoC)</b></p> <p>Hereby, Realme Chungking Mobile Telecommunications Corp., Ltd declares that this wireless device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: https://www.realme.com/global/support/eu-declaration</p>	<p><b>CE certification information (SAR)</b></p> <p>This device was tested for typical body-worn operations with the back of the tablet kept 0.5cm away. To maintain compliance with RF exposure requirements, use accessories that maintain a 0.5cm separation distance between the user's body and the back of the tablet. The use of belt clips, holders and similar accessories should not contain metallic components in its assembly. The use of accessories that do not satisfy these requirements may not comply with RF exposure requirements, and should be avoided.</p> <p>→ if you are using powerbank, hearing aid, cochlear implant or other device, please use the tablet according to the dealer's advice.</p> <p>Notice: Observe national and local regulations where the device is used. This device may be restricted for use, depending on the local network. The operation frequency is 9150-9300MHz of Wi-Fi is also restricted to indoor usage only.</p> <p><b>FCC Regulations:</b> Please check Radio Waves Specifications in the user manual to see whether this product supports Wi-Fi 6E or not.</p> <p><b>FCC Regulations:</b> This tablet complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) This device may not cause harmful interference. 2) This device must accept any interference received, including interference that may cause undesired operation. This tablet has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: → Reorient or relocate the receiving antenna. → Increase the separation between the equipment and receiver. → Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. → Consult the dealer or an experienced radio/TV technician for help.</p> <p><b>FCC Note:</b> Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's warranty to operate the equipment.</p> <p><b>RF Exposure Information (SAR)</b> This tablet is designed and manufactured not to exceed the emission limits for exposure to radio frequency (RF) energy set by the Federal Communications Commission of the United States. During SAR testing, this device was set to transmit at its highest certified power level in all tested frequency bands, and placed in positions that simulate RF exposure in near the body with the separation of 0.5 cm. Although the SAR is determined at the highest certified power level, the actual SAR level of the device while operating can be well below the maximum value. This is because the tablet is designed to operate at multiple power levels so as to use only the power required to</p>	<p><b>Warning</b></p> <ul style="list-style-type: none"> <li>Do not place the tablet or battery near or inside heating equipment, cooking equipment, high pressure vessels (such as pressure cooker, induction cooker, electric oven, heater, pressure cooker, water heater, gas stove, etc.) to prevent the battery overheating which may lead to an explosion.</li> <li>The original charger, data cable and battery shall be used. Unapproved charger, data cables, or batteries that are not certified by the manufacturer may result in electric shock, fire, explosion, or other hazards.</li> <li>When charging, please place the device in environment that has a normal room temperature and good ventilation. It is recommended to charge the device in an environment with temperature ranging from 0°C-35°C.</li> <li>The device only supports standard Nano SIM card(4FF), using non-standard SIM card may cause damage to your phone.</li> <li>The battery can not be removed from the device, if you need to replace, please contact realme Authorized Service Center.</li> </ul> <p><b>Standard accessories</b> You are provided with the following standard accessories: Pods 1, Charger 1, Data Cable 1, User Manual 1, SAR File 1.</p>

Service Terms Thank you for using realme tablet. We will provide our product with comprehensive warranty services in accordance with applicable regional laws and regulations. In case of any conflict between the following policies and the National Policies, or Commissions, the national policies shall prevail.</p> <p>1. Within 12 months from the purchasing date, in the event that performance failure occurs from normal use, consumer can claim for maintenance. The accessories such as charger, data cable have a 6-month warranty. The battery (including intermal battery) has a 12-month warranty.</p> <p>2. Please ask the dealer to issue an invoice and keep it in a safe to avoid warranty claims.</p> <p>3. Valid purchase invoice, the invoice shall indicate the serial number of the tablet, factory serial number, both number of the accessories (batteries and charger), product model, color, date, before serial amount and so on.</p> <p>4. A valid invoice are essential for protecting your warranty rights. Valid invoice information filed in shall be complete, true and correct without omissions. If you lose the valid invoice and are unable to provide us with a photocopy of them, we will provide your tablet with a 12-month warranty.</p> <p>5. Our warranty does not cover the other accessories for the product (for instance, the user manual, warranty card, etc.).</p> <p>Note: The above warranty is only valid for the products sold in this country. realme have the right of final review and interpretation for the warranty policy.</p> <p>II: Warranty Instructions and Conditions</p>	<p>1. Your warranty claim refer to the Warranty Information Card is only valid under normal use of your device. All non-manufacture damages and any of the following conditions are out of free warranty, but a repair can be still implemented at your own cost:</p> <p>A. The warranty period has expired. B. Damage caused by human factors, including: improper use, misuse, liquid damage, or other damage to the product. C. The customer disassembles, repairs or modifies the device without the Company's authorization or has a repair shop that is not included in the Company's approved repair network. D. Damage caused by a force majeure (such as floods, fire, earthquakes and lightning). E. The user is unable to provide valid proof of purchase or the product model and barcode do not match or are altered. F. Natural wear and tear of the product (such as casing, keypad, display screen, antenna and other accessories). G. Faults, damages or defects not caused by the company. H. Barcode and warranty labels are damaged and unrecognizable.</p> <p>2. Others A. External disassembling, repairs or modifications to the device without the Company's authorization or has a repair shop that is not included in the Company's approved repair network. B. Faults caused by the internet and wireless information service providers (operator) are not covered by the warranty. C. Our warranty does not cover services vertically provided by the dealer which violate policies set forth on the warranty card. For products that meet the replacement requirements, you can visit to our nearest Authorized Service Center for replacement. Upon replacement, if the device is faulty, we can replace it with a device of the same specification and model. If any accessories is faulty, the faulty accessory will be replaced. Both replacements are free of charge.</p>	<p>3. If any of our products is required to be fixed, you may take it to any realme Authorized Service Center.</p> <p>4. If the product requires repair since water entered the device or it is seriously damaged by human factors, the customer needs to sign the repair job sheet form with the realme Authorized Service Center firstly.</p> <p>5. All components, parts and accessories replaced during the warranty period shall become the property of the Company.</p> <p>III: Considerations for Sending the Device for Repair and Collecting It</p> <p>1. When completing the realme tablet Repair Form, the customer must fill in detailed information in clear handwriting as required (name, address, phone number and fault symptom). 2. Before sending your device for repair, please back up all information and data you have saved on the tablet (such as phone numbers, text messages and pictures) before you deliver them to prevent loss or damage during the testing and inspection process. In any circumstances, realme Authorized Service Center and its staff will not be responsible or obligated to back up or recover your information and data, or accept responsibility for any consequences arising from the loss, damage or deletion of your information and data. Please ensure the legitimacy of the information and data you have saved. To respect your privacy, we will not transmit, backup or examine your information and data unless they are necessary for us to provide you with services, and we reserve the right to refuse to provide services for illegal content. 3. The Customer shall collect the tablet by presenting the realme tablet Repair Form. In case the Customer loses the Customer Copy, the Customer shall go through the claim reporting procedure with his/her personal ID or valid proof of identity before collecting the tablet.</p>
