

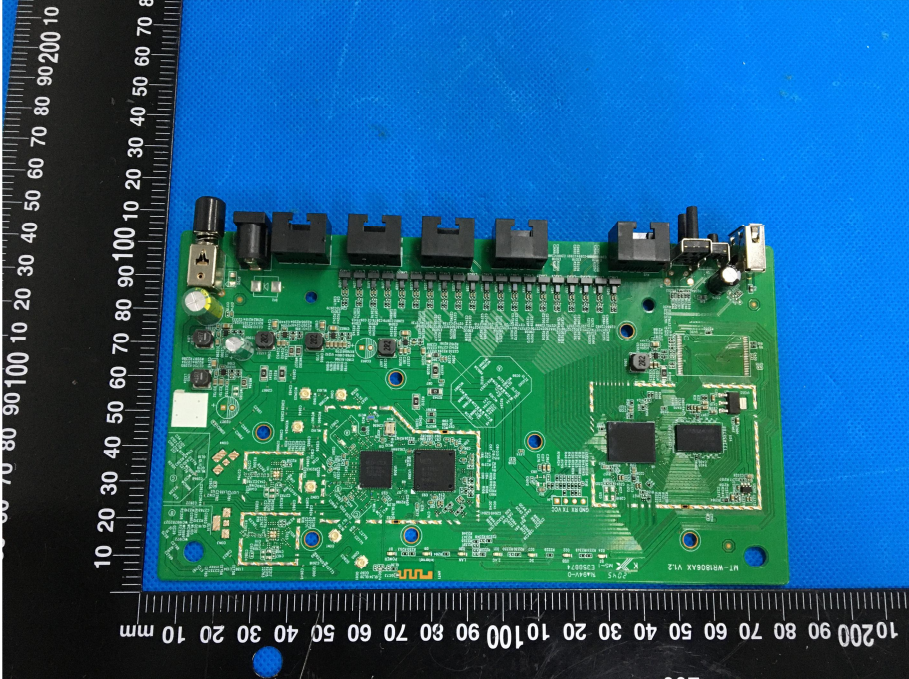

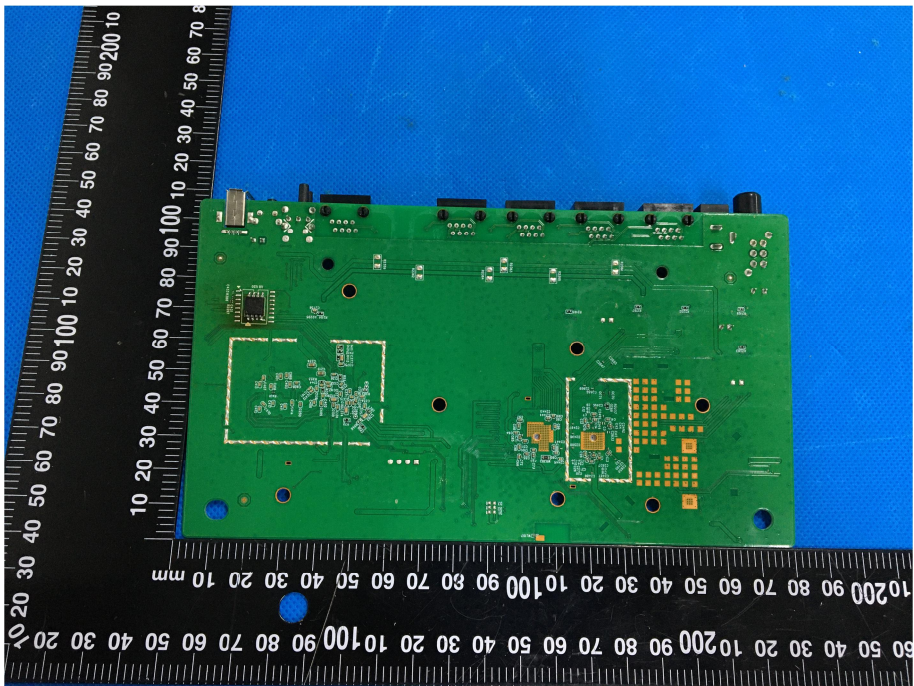

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	 <p>A photograph showing the internal components of an EUT (End User Terminal) housed in a black plastic casing. The green printed circuit board (PCB) is visible, featuring a large silver heat sink and various electronic components. A black ruler is placed vertically to the left of the device for scale, with markings in millimeters. The background is a solid blue surface.</p>
<p>Solder Board-Component View 1</p>	 <p>A close-up photograph of the green PCB, showing various components including integrated circuits, capacitors, and connectors. A black ruler is placed horizontally at the bottom and vertically on the left side for scale, with markings in millimeters. The background is a solid blue surface.</p>

<p style="text-align: center;">Solder Board-Component View 2</p>	 <p>A photograph of a green printed circuit board (PCB) showing the soldered components. The board is placed on a blue background with a black ruler for scale. The ruler shows measurements in millimeters, with markings every 10 mm and sub-markings every 1 mm. The board features various electronic components, including integrated circuits, capacitors, and connectors, all soldered onto the board.</p>
<p style="text-align: center;">Antenna View</p>	 <p>A photograph of the HNK device, a black, octagonal-shaped antenna array. The device has four antennas protruding from the top. The antennas are labeled as follows: WIFI 5G ANT 2 (top left), WIFI 5G ANT 1 (top right), WIFI 2.4G ANT 2 (bottom left), and WIFI 2.4G ANT 1 (bottom right). The HNK logo is visible on the front of the device.</p>
