

English
Thank you for purchasing the Force X Portable Outdoor Speaker. Please read the user manual before use and keep it handy for future reference. If you have any additional questions or comments, please contact us by email at: support@tronsmart.com

Package Contents
1 x Tronsmart Force X Portable Outdoor Speaker 1 x 3.5mm Audio Cable 1 x 5pin/4pin USB Card
1 x Type-C Charging Cable 1 x Warranty Card 1 x User Manual 1 x Carrying Strap

USB-A Power Bank Function
This speaker carries a USB charge-out function that will automatically divert your device and begin to charge it when the charging cable is plugged into the USB port. The output power is up to 5W. In order to maintain stable music playing performance, it is not recommended to use the music and power bank function at the same time.

Aux-in Mode
Simply connect the speaker with your non-Bluetooth device via the 3.5 mm audio jack cable.
Note: After plugging in an audio cable, the speaker will automatically switch to Aux-in mode.

TF Card Slot Mode
The speaker will play the music from your TF/Micro SD card when plugging the card into the slot. The maximum supported memory is 64 GB.

USB Flash Drive Mode
The speaker will play the music from your USB flash drive when plugging the USB into the USB-A port. The maximum supported memory is 64 GB.

Auto Power Off
The speaker will power off automatically after 1 hour if it does not pair with any device through Bluetooth. When it has low battery, the speaker will power off automatically as well.

Care & Maintenance
Do not use any form of detergents or cleaning material to clean the product as any type of chemical may make this device unusable.
- Do not disassemble this product. It contains no user serviceable parts.
- Do not drop or bang on it and treat with care for the best performance.
- Keep the product in a dry location. Dust, dirt & moisture from humidity can accumulate on the body of the product if kept in a wet/damp place.
- Do not dispose this product in fire or batteries may explode or leak.

Warranty Information
Your Tronsmart Force X Portable Outdoor Speaker is warranted to the original owner for 12 months from the date of purchase against defects in materials and workmanship under normal use and service. Tronsmart is not responsible for the accidental use of this product and its liability will not exceed the purchase price of the product. If you have any problems while using the product, please do not hesitate to contact our customer support team at support@tronsmart.com.

Input	5pin/4pin Type-C port
Dimension	Size: 116x51x32mm / 4.6x2.0x1.3inch
Weight	1.68kg/3.72oz

FCC Statement
This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates noise and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in any particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-Reorient or relocate the receiving antenna.
-Increase the separation between the equipment and receiver.
-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-Consult the dealer or an experienced radio/TV technician for help.
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

All Warning Statement:
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
