RE: Permission to File Change in ID

To Whom It May Concern and/or Relevant Telecommunications Certification Body,

CoreKinect LLC ("CoreKinect") developed 2 devices, Model Numbers OBDLRA1 and GENLRA3, for Cox Communications, Inc. ("Cox") as works for hire. Cox is and has always been the exclusive owner of all rights, titles, and interests in these 2 devices. Nevertheless, the FCC ID granted to these 2 devices uses an FCC grantee code for CoreKinect.

CoreKinect understands that Cox seeks a change in the FCC ID for the 2 devices pursuant to 47 C.F.R. 2.933. CoreKinect consents to and fully authorizes Cox to file a change in FCC ID for:

Model OBDLRA1 FCC ID 2ARKMOBDLRA1	Granted 9/12/2019
Model GENLRA3 FCC ID 2ARKMOBDLRA1	Granted 9/12/2019
