Inquiry on 01/23/2023 :

Inquiry:

If a device using e-labeling has limited screen space and the full FCC ID number cannot be seen on the screen at one time due to the small size of the screen, is it acceptable to have the text continuously scrolling from left to right so the full FCC ID number is viewable that way?

Please advise.

FCC response on 01/24/2023

Hello,
Yes we can accept that.
