

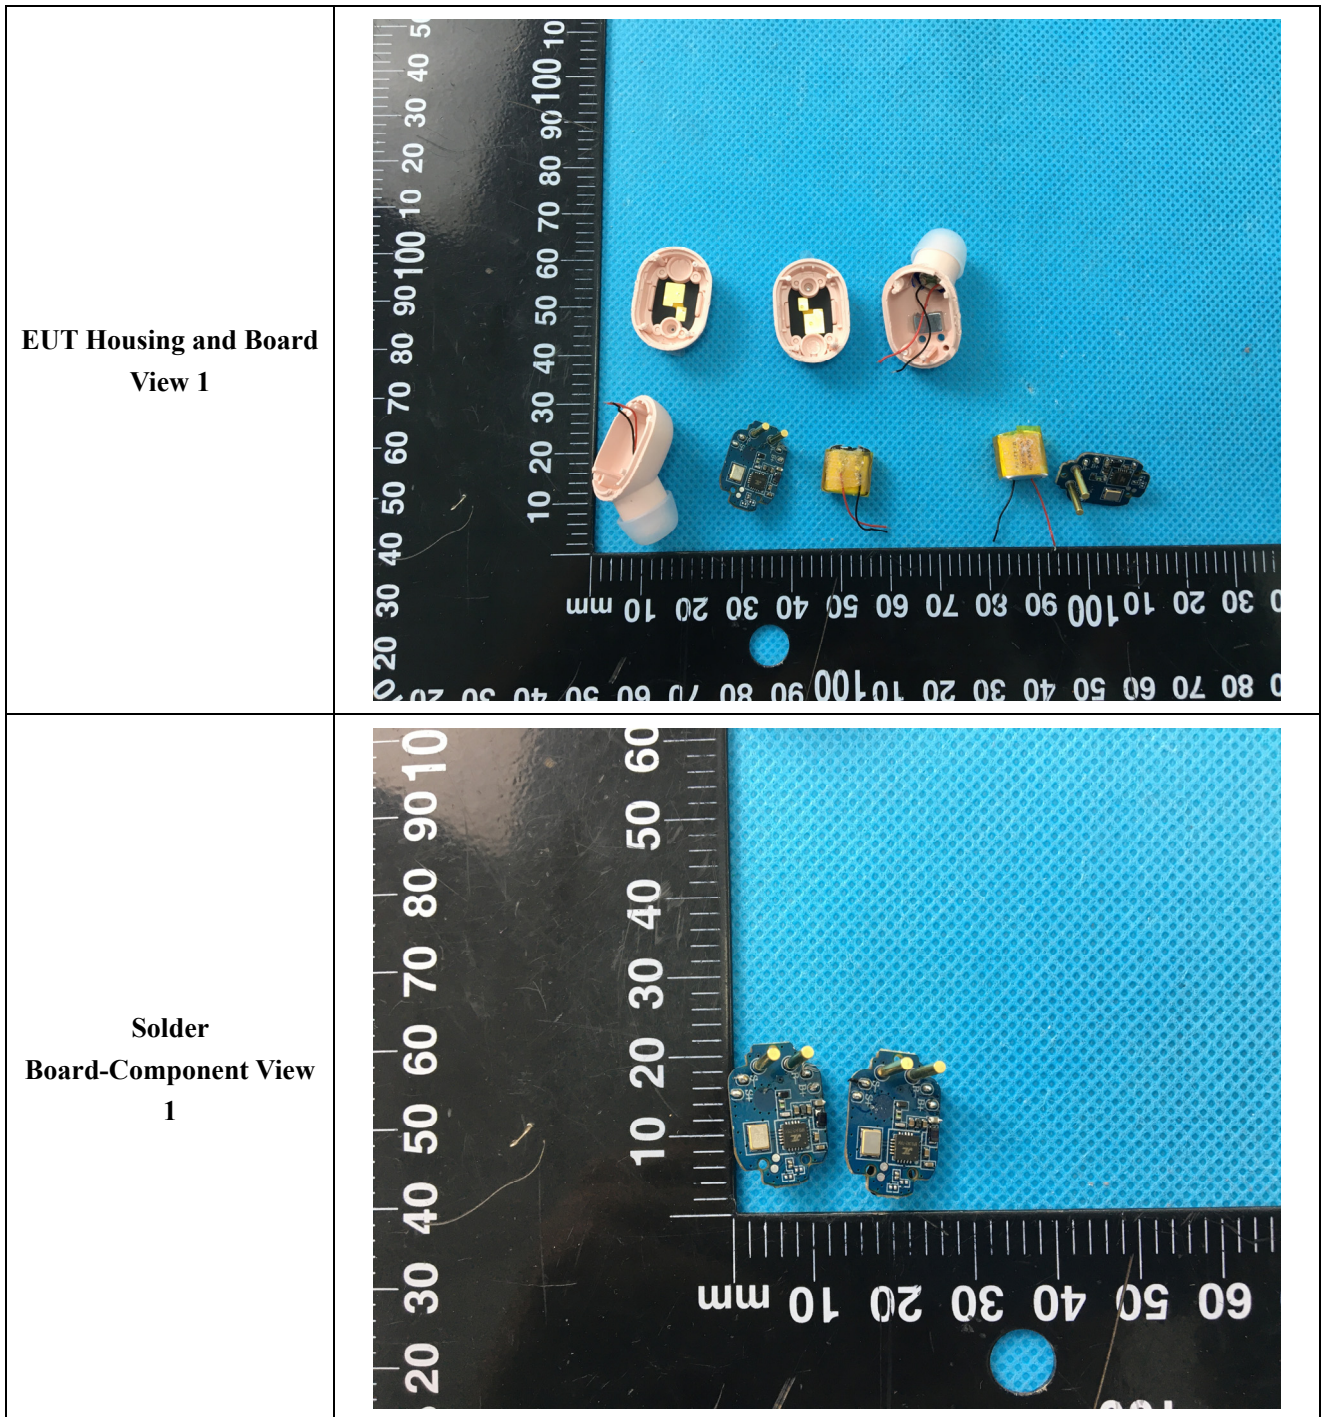

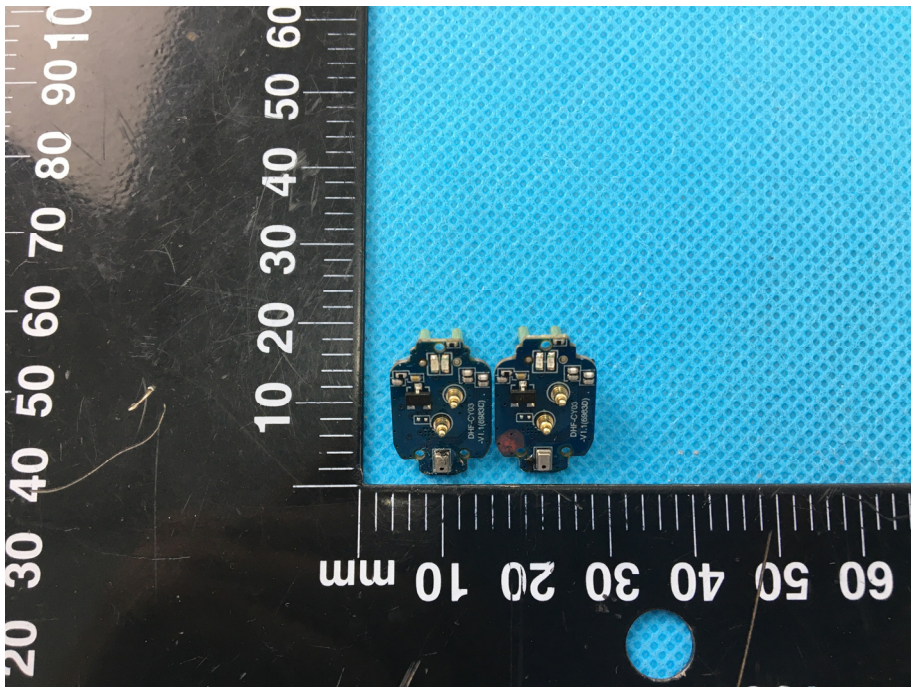

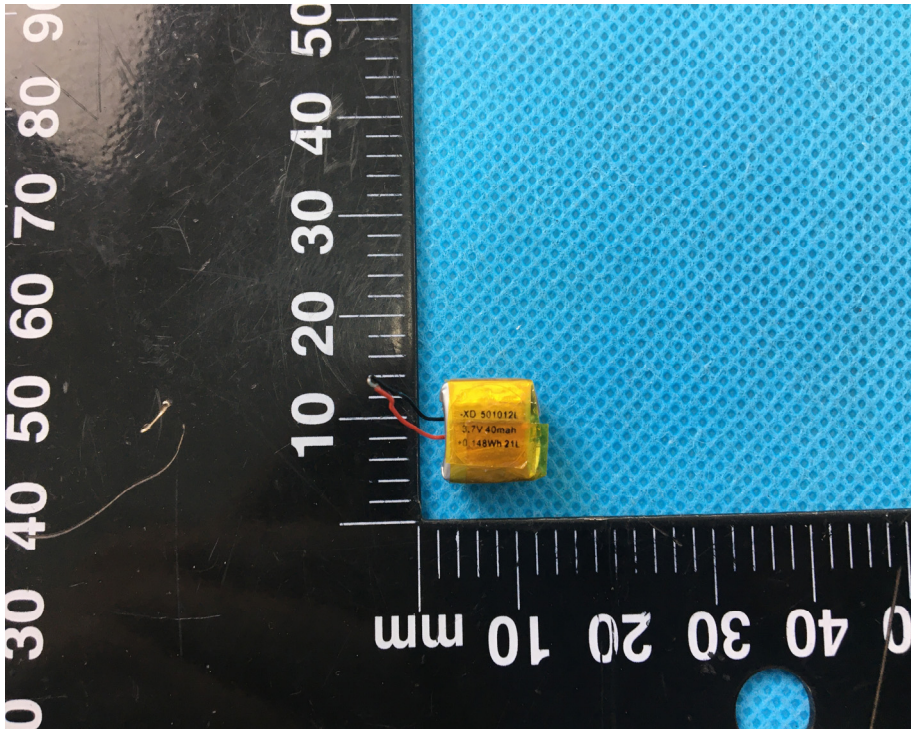

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>Solder Board-Component View 2</p>	 <p>A photograph showing two small blue printed circuit boards (PCBs) mounted on a black surface. The boards are positioned next to a white ruler with millimeter markings. The ruler is oriented vertically on the left and horizontally at the bottom. The boards are approximately 15mm wide and 10mm high. The background is a blue textured surface.</p>
<p>Solder Board-Component View 3</p>	 <p>A photograph showing a small yellow rectangular component, likely a battery, mounted on a black surface. The component is positioned next to a white ruler with millimeter markings. The ruler is oriented vertically on the left and horizontally at the bottom. The component is approximately 15mm wide and 10mm high. The background is a blue textured surface.</p>
