

**Authorization to Refer to and / or Re-use Technical Documentation and
Test Reports from FCC/ISED Radio Module certification**

Dear Sir or Madam:

We, Quectel Wireless Solutions Company Limited authorize Schindler Elevator Corporation to refer to and / or re-use confidential and non-confidential technical documentation and test reports as filed for FCC/ISED certification of our radio module

under FCC-ID: XMR201808EC25AF / IC-ID: 10224A-2018EC25AF for new FCC / ISED certification of their host product

under FCC-ID: FCC-ID: 2AVFL-50700305 / IC: not yet specified

Our modular approval documents filed to FCC/ISED as short or long term confidential must be treated and classified accordingly when re-submitted for the host certification.

Confidential technical documents filed under our identified modular certifications were already made available to the TCB of TUV Rheinland of North America, Inc. under a dedicated Non-Disclosure Agreement (file SLittleton_20012214220.pdf) signed on January 22, 2020.

Sincerely,
