Re: Change of Identification Authorization

Date: 2019-12-26

To Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD

The letter grants authorization for representatives of **Toshiba Inspection Solutions Co., Ltd.**

Product Name: RF 2.4G Remote Controller

Trade Mark: TOSHIBA

FCC ID: 2AVHN-TMRCD200TX

to apply the FCC for a change in identification as specified under part 15C of the FCC rules.

This authorization applies to

Original applicant: Toshiba Power Systems Inspection Services Co.,Ltd.

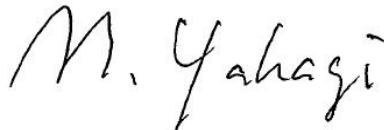

Original Certificate:2AEUT-TMRCD200TX and issued Date: 06/08/2015

The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Note: The definition of identical should be "electrically identical". Per FCC section 2.924 and 2.933, "a device will be considered to be electrically identical if no changes are made to the device's schematics, board layout, component layout, chip sets, resistors and all other electrical aspects of the device are identical".

Should there be any questions, please feel free to contact us.

Sincerely,
