FCC COMPLIANCE STATEMENT

The KIND LED X SERIES lighting system has been tested at FCC-certified laboratories in the United States and conforms to FCC's Part 15B Consumer Standard for Industrial, Scientific, and Medical Equipment for both conducted and radiated emissions.

Given that all electronic equipment emits some RF energy, please note that compliance with these standards does not mean a zero level of emission, only very low levels.

Per FCC requirement: This product may cause interference to radio equipment and should not be installed near Maritime safety communications equipment or other critical navigation or communication equipment between 0.45-30 MHz. This device complies with Part 15B of the FCC Rules.

Changes or modifications not expressly approved by KIND LED could void the user's authority to operate the equipment.

Please visit www.KindLEDGrowLights.com for a complete documentation of the KIND LED Lighting Terms of Use.

Setup Instructions

A California Company

Designed in California and backed by industry-leading customer support - a part of the Grow Strong Industries family of brands.
