FCC COMPLIANCE

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help. Changes or modifications not expressly approved by Urbanista AB could void the user's authority to operate this equipment.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

ICES CANADA
This device complies with ISED Canada license-exempt RSS standards. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

- Bluetooth: Maximum transmit power less than 10 dBm ERP.
- Bluetooth Low Energy: Maximum transmit power less than 10 dBm ERP.

EU/UK Compliance
Urbanista AB hereby declares that this wireless device is in compliance with Directive 2014/53/EU and Radio Equipment Regulations 2017. A copy of the Declaration of Conformity is available at www.urbanista.com/compliance.

Urbanista AB déclare par la présente que cet appareil sans fil est conforme aux exigences stipulées dans la Directive européenne 2014/53/UE et la réglementation britannique Radio Equipment Regulations 2017. Une copie de la Déclaration de conformité est disponible à l'adresse www.urbanista.com/compliance.

Hiermit erklärt Urbanista AB, dass dieses drahtlose Gerät in Übereinstimmung mit der Richtlinie 2014/53/UE und den Regelungen über Funkgeräte von 2017 befindet. Eine Kopie der Konformitätserklärung ist hier verfügbar www.urbanista.com/compliance.

EU Importer: Strax GmbH, Belgische Allee 52 - 54, 53842 Trossdorf

Battery Information
Your device has an internal, non-removable, rechargeable battery. Do not attempt to remove the battery, as you may damage the device. The battery can be charged and discharged hundreds of times, but it will eventually wear out. Charging time can vary depending on device capability.

Battery safety
If left unattended, a fully charged battery will lose its charge over time. Always keep the battery between -10°C and 40°C (14°F and 104°F) for optimal performance. Extreme temperatures reduce the capacity and lifetime of the battery. A device may temporarily stop working if its battery is too hot or too cold. Do not dispose of batteries in a fire as they may explode. Obey local regulations. Recycle when possible. Do not dispose of as household waste. Use the battery for its intended purpose only. Improper use of, or use of unapproved or incompatible, batteries may present a risk of fire, explosion, or other hazards, and may invalidate any approval or warranty if you believe the battery is damaged. Take it to a service center or your local shop before continuing to use it. Never use a damaged battery. Do not charge your device during a lightning storm.

Do NOT attempt to remove the rechargeable lithium-ion battery from this product. Contact your local Urbanista retailer or other qualified professional for removal. Please dispose of used batteries properly, following local regulations.

Disposal and Recycling Information
The symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.

Information on the reuse and recycling of the battery
Le symbole ci-dessus signifie que, conformément aux lois et réglementations locales, vous devez mettre au rebut votre produit et/ou sa batterie séparément des autres déchets. Lorsque ce produit n'est plus utilisable, disposez-le dans un centre de collecte des déchets agréé par les autorités locales. La collecte et le recyclage séparés de votre produit et/ou de sa batterie lors de l'élimination contribueront à préserver les ressources naturelles et à protéger l'environnement et la santé des êtres humains.

Informationen zur Entsorgung und zum Recycling
Das Symbol oben bedeutet, dass dieses Produkt und/oder die Batterie entsprechend den geltenden gesetzlichen Vorschriften und getrennt vom Hausmüll entsorgt werden muss. Wenn dieses Produkt entsorgt werden muss, nehmen Sie es zu einem offiziellen Sammelstelle ab. Durch getrenntes Sammeln und Recycling werden die natürlichen Ressourcen geschont und es ist sichergestellt, dass beim Recycling des Produkts und/oder der Batterie alle Bestrebungen zum Schutz von Gesundheit und Umwelt eingehalten werden. Die getrennte Entsorgung und der Recycling des Produkts und/oder der Batterie hilft, natürliche Ressourcen zu schonen und sicherzustellen, dass es in einer Weise entsorgt wird, die die menschliche Gesundheit und die Umwelt schützt.

WARRANTY GARANTIE

SAFETY INFORMATION INFORMATION DE SÉCURITÉ

REGULATORY COMPLIANCE INFORMATION INFORMATIONS SUR LA CONFORMITÉ RÉGLEMENTAIRE

WARRANTY (EN)
Limited one (1) year warranty. Full terms including detailed information on obtaining service are available at www.urbanista.com/warranty.

• Die Verwendung dieser Kopfhörer schränkt diese Verfügbarkeit in dieser Umgebung zu hören, unabhängig von der Lautstärke auf die sie benutzt ein. Bitte sei bei der Verwendung dieser Kopfhörer vorsichtig.

• SEI vorsichtig und halte dich an die geltenden Gesetze zur Nutzung von Mobiltelefonen und Kopfhörern, wenn du die in Ear Kopfhörer beim Autofahren für Telefonate nutzt. In manchen Rechtsräumen gibt es bestimmte Beschränkungen bei der Nutzung solcher Produkte beim Autofahren, wie etwa eine Konfiguration mit einem externen Ohrhörer.

• Die in Ear Kopfhörer nicht fallen lassen, nicht darauf sitzen, sie nicht in Wasser einlegen und nicht in Wasser eintauchen.

• Die Nutzung eines Herzhells oder Ladegeräts, das nicht von einem anerkannten Powerpack Hersteller empfohlen oder verkauft wurde, kann zu Feuer oder Personenschäden führen.

• Die Ladbox nicht über ihre Ausgabeleistung hinaus verwenden.

• Dieses Produkt nur mit behördlich zugelassenem Zubehör, das den gesetzlichen Vorgaben im Land (z.B. UL, CSA, VDE, CCC) entspricht, verwenden.

• Keine Ladbox verwenden, die beschädigt oder verändert wurde. Beschädigte oder veränderte Akkus können sich auf unvorhergesehene Art verhalten, was zu Brand, Explosion oder der Gefahr von Personenschäden führen kann.

• Die Ladbox nicht auseinanderbauen. Ein fälschlicher Wiederaufbau kann zur Gefahr von Brand oder der Verletzung von Personen führen.

• Eine Ladbox nicht öffnen, zerbrechen oder Feuer oder hohen Temperaturen aussetzen. Eine Exposition gegenüber Feuer oder Temperaturen über 202°F bzw. 100°C kann zur Explosion führen.

• Servicearbeiten von einem qualifizierten Techniker unter Verwendung von ausschließlich identischen Ersatzteilen durchführen lassen.

• Dieses Produkt enthält magnetisches Material. Bitte fragen Sie Ihren Arzt um Rat, wenn ein implantiertes medizinisches Gerät trägt.

• KEINE unzulässigen Veränderungen an diesem Produkt vornehmen.

To avoid accidental ingestion, keep the earbuds away from small children and pets. The earbuds contain a lithium-ion battery and may be hazardous if swallowed. If ingested, seek immediate medical attention.

Do NOT use the earbuds at a high volume for any extended period.

To avoid hearing damage, use your earbuds at a comfortable, moderate volume level. Turn the volume down on your device before putting the earbuds in/on your ears. Then, turn the volume up gradually until you reach a comfortable listening level. Long-term exposure to loud music or sounds may cause hearing damage. It is best to avoid high volume levels when using these headphones, especially for extended periods.

Do not use these headphones when operating a motor vehicle, a bicycle, machinery or where your inability to hear outside sounds may present a danger to you or to others.

Using these headphones limits your ability to hear noises around you, regardless of listening volume. Please be cautious when using these headphones.

Use caution and follow applicable laws regarding mobile phone and headphone use if using the earbuds for phone calls while driving. Some jurisdictions impose specific limitations, such as single earpiece configuration, on the use of such products while driving.

Do not drop, sit on, insert or allow the earphones to be immersed in water.

Use of a power supply or charger not recommended or sold by power pack manufacturer may result in a risk of fire or injury to persons.

Do not use the charging case in excess of its output rating.

Use this product only with an agency approved power supply which meets local regulatory requirements (e.g. UL, CSA, VDE, CCC).

Do not use a charging case that is damaged or modified. Damaged or modified batteries may exhibit unpredictable behaviour resulting in fire, explosion or risk of injury to persons.

Do not disassemble the charging case. Incorrect reassembly may result in risk of fire or injury to persons.

Do not open, crush, or expose a charging case to fire, or excessive temperature. Exposure to fire or temperature above 225°F/100°C may cause explosion.

Have servicing performed by a qualified repair person using only identical replacement parts.

This product contains magnetic material. Consult your physician on whether this might affect your implantable medical device.

Do NOT make unauthorized alterations to the product.
