RE: Short Term Confidentiality Request

To Whom It May Concern:

In accordance with sections 0.457 and 0.459 of CFR 47, Siretta Ltd. requests short-term Confidentiality of following sections of this application for a period of 180 days after grant is issued.

These documents contain detailed system and equipment descriptions and related information about the product, which Siretta Ltd considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Siretta Ltd feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely,

Paul Gibbons
