Regulatory Compliance Information

FCC Compliance and Exposure to Radio Frequency Information

The radiated output power of the Wi-Fi technology is below the FCC radio frequency exposure limits. Nevertheless, it is advised to use the wireless equipment in such a manner that the potential for human contact during normal operation is minimized.

To satisfy FCC / IC RF exposure requirements, a separation distance of 20 cm or more should be maintained between the antenna of this device and persons during device operation. To ensure compliance, operations at closer than this distance are not recommended.

This device complies with Part 15 of the FCC Rules / Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Les règles établies par Federal Communications Commission / Industry Canada RF demandent que les antennes installées doivent être situées de façon à ce que les personnes y tiennent toujours une distance d'au moins 20 cm lorsque l'appareil est en marche.. Pour être certain que ce standard soit respecté, nous ne recommandons donc pas l'utilisation de notre appareil avec une distance inférieure à 20cm entre l'antenne et des personnes.

Le présent appareil est conforme aux CNR d'Industrie Canada pour les appareils radio exemptés de licence. L'utilisation est donc autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage dérangeant d'autres appareils, et (2) l'appareil doit accepter tout brouillage radioélectrique dérangeant subi, même si le cela est susceptible d'en compromettre le fonctionnement.

Radio and Television Interference

This equipment generates, uses, and can radiate radio-frequency energy. If it is not installed and used properly—that is, in strict accordance with SmartAC.com instructions—it may cause interference with radio and television reception.

This equipment has been tested and found to comply with the limits for a Class B digital device in accordance with the specifications in Part 15 of FCC rules. These specifications are designed to provide reasonable protection against such interference in a residential installation. However, there is no guarantee that interference will not occur in a particular installation.

You can determine whether your SmartAC.com devices are causing interference by turning them off (removing power). If the interference stops, it was probably caused by the SmartAC.com device or one of its peripheral devices. If your SmartAC.com Hardware Kit

does cause interference to radio or television reception, try to correct the interference by using one or more of the following measures:

- Turn the television or radio antenna until the interference stops.
- Move the SmartAC.com device to another location.
- Move the television or radio farther away from the SmartAC.com device.

If necessary, consult a SmartAC.com authorized service provider or help.smartAC.com. Contact SmartAC.com Support via help.smartAC.com for additional details. Or consult an experienced radio/television technician for additional suggestions.

IMPORTANT: Changes or modifications to this product not authorized by SmartAC.com, Inc. could void the EMC compliance and negate your authority to operate the product. Contact SmartAC.com Support via help.smartAC.com for inquiries relating to FCC matters.

Dispute Resolution By Binding Arbitration: PLEASE READ THIS SECTION CAREFULLY AS IT AFFECTS YOUR RIGHTS.

A. Agreement to Arbitrate

This Dispute Resolution by Binding Arbitration section is referred to in this Terms of Service as the "Arbitration Agreement." You agree that any and all disputes or claims that have arisen or may arise between you and the Company, whether arising out of or relating to this Terms of Service (including any alleged breach thereof), the Services, any advertising, any aspect of the relationship or transactions between us, shall be resolved exclusively through final and binding arbitration, rather than a court, in accordance with the terms of

this Arbitration Agreement, except that you may assert individual claims in small claims court, if your claims qualify. Further, this Arbitration Agreement does not preclude you from bringing issues to the attention of federal, state, or local agencies, and such agencies can, if the law allows, seek relief against us on your behalf. You agree that, by entering into this Terms of Service, you and the Company are each waiving the right to a trial by jury or to participate in a class action. Your rights will be determined by a neutral arbitrator, not a judge or jury. The Federal Arbitration Act governs the interpretation and enforcement of this Arbitration Agreement.

B. Prohibition of Class and Representative Actions and Non-Individualized Relief

YOU AND THE COMPANY AGREE THAT EACH OF US MAY BRING CLAIMS AGAINST THE OTHER ONLY ON AN INDIVIDUAL BASIS AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE ACTION OR PROCEEDING. UNLESS BOTH YOU AND THE COMPANY AGREE OTHERWISE, THE ARBITRATOR MAY NOT CONSOLIDATE OR JOIN MORE THAN ONE PERSON'S OR PARTY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A CONSOLIDATED, REPRESENTATIVE, OR CLASS PROCEEDING. ALSO, THE ARBITRATOR MAY AWARD RELIEF (INCLUDING MONETARY, INJUNCTIVE, AND DECLARATORY RELIEF) ONLY IN FAVOR OF THE INDIVIDUAL PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF NECESSITATED BY THAT PARTY'S INDIVIDUAL CLAIM(S).

C. Pre-Arbitration Dispute Resolution

The Company is always interested in resolving disputes amicably and efficiently, and most customer concerns can be resolved quickly and to the customer's satisfaction by emailing customer support at support@SmartAC.com. If such efforts prove unsuccessful, a party who intends to seek arbitration must first send to the other, by certified mail, a written Notice of Dispute ("Notice"). The Notice to the Company should be sent to SmartAC, Inc 5302 Egbert Street, Houston, TX 77007 ("Notice Address").

The Notice must

- (i) describe the nature and basis of the claim or dispute and
- (ii) set forth the specific relief sought. If the Company and you do not resolve the claim within sixty (60) calendar days after the Notice is received, you or the Company may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by the Company or you shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which you or the Company is entitled.

D. Arbitration Procedures

Arbitration will be conducted by a neutral arbitrator in accordance with the American Arbitration Association's ("AAA") rules and procedures, including the AAA's Supplementary Procedures for Consumer-Related Disputes (collectively, the "AAA Rules"), as modified by this Arbitration Agreement. For information on the AAA, please visit its website, <https://www.adr.org>. Information about the AAA Rules and fees for consumer disputes can be found at the AAA's consumer arbitration page, https://www.adr.org/consumer_arbitration. If there is any inconsistency between any term of the AAA Rules and any term of this Arbitration Agreement, the applicable terms of this Arbitration Agreement will control unless the arbitrator determines that the application of the inconsistent Arbitration Agreement terms would not result in a fundamentally fair arbitration. The arbitrator must also follow the provisions of these Terms of Service as a court would. All issues are for the arbitrator to decide, including, but not limited to, issues relating to the scope, enforceability, and arbitrability of this Arbitration Agreement. Although arbitration proceedings are usually simpler and more streamlined than trials and other judicial proceedings, the arbitrator can award the same damages and relief on an individual basis that a court can award to an individual under the Terms of Service and applicable law. Decisions by the arbitrator are enforceable in court and may be overturned by a court only for very limited reasons.

Unless the Company and you agree otherwise, any arbitration hearings will take place in a reasonably convenient location for both parties with due consideration of their ability to travel and other pertinent circumstances. If the parties are unable to agree on a location, the determination shall be made by AAA. If your claim is for \$10,000 or less, the Company agrees that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based.

E. Costs of Arbitration

Payment of all filing, administration, and arbitrator fees (collectively, the "Arbitration Fees") will be governed by the AAA Rules, unless otherwise provided in this Arbitration Agreement. If the value of the relief sought is \$75,000 or less, at your request, the Company will pay all Arbitration Fees. If the value of relief sought is more than \$75,000 and you are able to demonstrate to the arbitrator that you are economically unable to pay your portion of the Arbitration Fees or if the arbitrator otherwise determines for any reason that you should not be required to pay your portion of the Arbitration Fees, the Company will pay your portion of such fees. In addition, if you demonstrate to the arbitrator that the costs of arbitration will be prohibitive as compared to the costs of litigation, the Company will pay as much of the Arbitration Fees as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive. Any payment of attorneys' fees will be governed by the AAA Rules.

F. Confidentiality

All aspects of the arbitration proceeding, and any ruling, decision, or award by the arbitrator, will be strictly confidential for the benefit of all parties.

G. Severability

If a court or the arbitrator decides that any term or provision of this Arbitration Agreement (other than the subsection (b) titled "Prohibition of Class and Representative Actions and Non-Individualized Relief" above) is invalid or unenforceable, the parties agree to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Arbitration Agreement shall be enforceable as so modified. If a court or the arbitrator decides that any of the provisions of subsection (b) above titled "Prohibition of Class and Representative Actions and Non-Individualized Relief" are invalid or unenforceable, then the entirety of this Arbitration Agreement shall be null and void. The remainder of the Terms of Service will continue to apply.

H. Future Changes to Arbitration Agreement

Notwithstanding any provision in this Terms of Service to the contrary, the Company agrees that if it makes any future change to this Arbitration Agreement (other than a change to the Notice Address) while you are a user of the Services, you may reject any such change by sending the Company written notice within thirty (30) calendar days of the change to the Notice Address provided above. By rejecting any future change, you are agreeing that you will arbitrate any dispute between us in accordance with the language of this Arbitration Agreement as of the date you first accepted these Terms of Service (or accepted any subsequent changes to these Terms of Service).

You agree that SmartAC, in its sole discretion, may suspend or terminate your account (or any part thereof) or use of the Service and remove and discard any content within the Service, for any reason, including, without limitation, for lack of use or if SmartAC believes that you have violated or acted inconsistently with the letter or spirit of these Terms of Service. Any suspected fraudulent, abusive or illegal activity that may be grounds for termination of your use of Service, may be referred to appropriate law enforcement authorities. SmartAC may also in its sole discretion and at any time discontinue providing the Service, or any part thereof, with or without notice. You agree that any termination of your access to the Service under any provision of this Terms of Service may be effected without prior notice, and acknowledge and agree that SmartAC may immediately deactivate or delete your account and all related information and files in your account and/or bar any further access to such files or the Service. Further, you agree that SmartAC will not be liable to you or any third party for any termination of your access to the Service.

General

These Terms of Service constitute the entire agreement between you and SmartAC and govern your use of the Service, superseding any prior agreements between you and SmartAC with respect to the Service. You also may be subject to additional terms and conditions that may apply when you use affiliate or third party services, third party content or third party software. These Terms of Service will be governed by the laws of the State of Texas without regard to its conflict of law provisions. With respect to any disputes or claims not subject to arbitration, as set forth above, you and SmartAC agree to submit to the personal and exclusive jurisdiction of the state and federal courts located within Harris County, Texas. The failure of SmartAC to exercise or enforce any right or provision of these Terms of Service will not constitute a waiver of such right or provision. If any provision of these Terms of Service is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties' intentions as reflected in the provision, and the other provisions of these Terms of Service remain in full force and effect. You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the Service or these Terms of Service must be filed within one (1) year after such claim or cause of action arose or be forever barred. A printed version of this agreement and of any notice given in electronic form will be admissible in judicial or administrative proceedings based upon or relating to this agreement to the same extent and subject to the same conditions as other business documents and records originally generated and maintained in printed form. You may not assign this Terms of Service without the prior written consent of SmartAC, but SmartAC may assign or transfer this Terms of Service, in whole or in part, without restriction. The section titles in these Terms of Service are for convenience only and have no legal or contractual effect. Notices to you may be made via either email or regular mail. The Service may also provide notices to you of changes to these Terms of Service or other matters by displaying notices or links to notices generally on the Service.

Hardware Agreement

Terms, Conditions of sale and Warranty

Please read this Hardware Terms, Conditions of Sale and Warranty language (the "Hardware Agreement") before using SmartAC.com, Inc., its affiliates, subsidiaries, or licensors (hereinafter "SmartAC"), or hardware appliance products (the "Hardware"). By finalizing your purchase order (or any order under SmartAC's online or app-based checkout portal), you, as the purchaser of the Hardware from SmartAC ("you" or "Customer") agree to the terms of this Hardware Agreement, and, if applicable, you also agree to bind to the terms of this Hardware Agreement any end user ("End User") on whose behalf you are making this purchase for (Customer and SmartAC are hereafter referred to individually as "Party" and together as "Parties"). If you and/or the End User, as the case may be, disagree with these terms and conditions, do not finalize your order, or if the order has been placed, return the Hardware immediately upon receipt without using it.

Payment; Purchase Price and Associated Charges. Payment must be made at the time of order unless otherwise agreed to by the Parties. Customer will pay the total purchase price plus taxes, shipping and handling, if any, as specified on the invoice or associated purchase order. If shipments are to be made to countries outside the US Customer is also responsible for all taxes related to this purchase and to the import of the Hardware, if applicable, to include but not limited to any and all sales taxes, value-added taxes, import taxes/customs/duties and any other similar taxes imposed by any governmental entity. Moreover, Customer bears the responsibility to report purchases and/or imports as required by local law at their business location and/or at location where the Hardware is delivered by SmartAC.

Title; Risk of Loss. Title to the Hardware passes to Customer when the Hardware is paid for in full. However, SmartAC bears all responsibility for loss of or damage to the Hardware during initial shipment after purchase and until Hardware is received by Customer, unless Customer selects its own mode of shipping. In repair cases, risk of loss is borne by Customer for return of the Hardware, but by SmartAC following repair and upon return to Customer.

Limited Warranties. SmartAC warrants the Hardware against defects in materials and workmanship under normal use (the "Warranty") as long as the subscription payment is paid and the customer account is in good standing (the "Warranty Period"). Warranty terms can be found at help.smartac.com (or at any successor or related locations designated by SmartAC), as it may be updated from time to time.

SmartAC disclaims all other warranties, express or implied, including without limitation implied warranties of merchantability, fitness for a particular purpose, or against hidden or latent defects. SmartAC's responsibility for warranty claims is limited to repair or replacement. SmartAC reserves the right to modify this Warranty at any time, at its sole discretion, and with notice to Customer for new subscriptions.

SmartAC does not warrant that the Hardware or any networks or systems protected by the Hardware will be free from vulnerability, intrusion, attack, or other damage. SmartAC does not warrant that the operation of the Hardware will be uninterrupted or error-free. SmartAC is not responsible for damage arising from failure to follow instructions relating to the Hardware's use. This Warranty does not apply: (a) to consumable parts, such as batteries, unless damage has occurred due to a defect in materials or workmanship; (b) to cosmetic damage, including but not limited to scratches, dents and broken plastic on ports; (c) to damage caused by accident, abuse, misuse, neglect or failure to properly maintain (to include but not limited to water damage and/or condensation or improper temperatures during storage), or improper installation; (d) to damage caused by electrical disturbances or acts of God, to include but not limited to civil disturbance, war, flood, fire, rodents or insects; (e) where manufacturer's serial numbers have been removed from the Hardware; and (f) to damage caused during shipment (due to Customer's improper packaging) from Customer to SmartAC in the case of Hardware returns for repair.

This Warranty is voided immediately if repair, modification (to include upgrades, expansions or usage or addition of non-manufacturer parts or accessories), alteration or other service is attempted other than by SmartAC. In this regard, the integrity of the appliance casing

(aka the box or sensor) should not be violated for any reason, unless expressly authorized by SmartAC in writing.

Technical Support. SmartAC will provide technical support to Customer in accordance with the then-current support policy in effect (see help.smartac.com or any successor or related locations designated by SmartAC) and in accordance with the Warranty provided in section below, unless full payment for the purchase of the Hardware is not received. SmartAC will respond to Customer support problems by phone or by email inquiry (contact information is provided at the support link above). If a support problem cannot be rectified via phone or email, Customer will be provided with return instructions (see the “Repair” section below). Support services will be provided in English.

Customer agrees and understands that it may be necessary for SmartAC to collect, process and use Customer data to perform the support and repair obligations identified herein. This may include the necessity to transfer data to affiliate third parties that are contracted with SmartAC to assist in meeting these obligations. In doing so, SmartAC will (i) protect and keep confidential such information, (ii) not use such information for reasons other than those discussed above, and (iii) not sell, distribute or pass on such information to any third party.

Repair. The Customer taking delivery of the Hardware from SmartAC (either the SmartAC reseller or distributor, or the end user customer, as the case may be) should carefully inspect the Hardware upon its delivery. Such Customer should maintain all original packaging upon receiving the Hardware until the Hardware has been installed and is found to be in proper working order.

If the Hardware arrives to such Customer damaged or defective at initial delivery (the date of arrival is referred to herein as the “Delivery Date”), such Customer must notify SmartAC Technical Support (contact information is provided on the SmartAC website at help.smartac.com or at any successor or related locations designated by SmartAC) within thirty (30) days from the Delivery Date of the condition of the Hardware and obtain return instructions if needed. Hardware must then be returned immediately to SmartAC for repair or replacement at SmartAC’s discretion (on the outside of the box, please write the RMA # (Return Merchandise Authorization) and attach a copy of the RMA form provided on the SmartAC website cited above). SmartAC will then arrange for delivery of temporary or permanent replacement Hardware. Such Customer is responsible for properly packing the return shipment of the Hardware. SmartAC will arrange for shipping and insurance.

If such Customer fails to notify SmartAC within thirty (30) days of the Delivery Date, (i) the Refund Policy below will not apply, (ii) Customer will bear the cost of returning the Hardware for repair, and (iii) damaged Hardware will not be accepted.

If during the Warranty Period (as described above) but following the initial thirty (30) day period the Hardware is not working properly, Customer must contact SmartAC Technical Support to confirm the problem and obtain return instructions if needed. The RMA instructions provided above also apply in this case. Customer will pay shipping and insurance costs when returning the Hardware for repair.

If the Hardware is returned for repair or replacement at any time following purchase by Customer and SmartAC discovers that the Warranty is inapplicable due to the reasons provided above (see the “Limited Warranties” section hereof), the Hardware will not be repaired and will be returned to Customer at Customer’s expense, unless Customer authorizes and pays for repair. Whether Customer authorizes repair or not, SmartAC reserves the right to charge a “No Fault Found” fee where the Hardware is found not to be defective due to any fault of the SmartAC.

Any SmartAC reseller or distributor involved in the purchase of the Hardware is not authorized to make any modification, extension, or addition to the Limited Warranties provided by SmartAC herein, although any such reseller or distributor may provide its own warranty in addition to the warranty coverage provided by SmartAC.

It is possible that the contents of Customer’s hardware will be lost or reformatted in the course of repair, and SmartAC and/or its agents are not responsible for any damage to

or loss of programs, data or other information contained on the media or any part of the Hardware serviced, nor to any accessories, parts or external devices installed by Customer. Hardware or a replacement product will be returned to Customer configured as when originally purchased, subject to applicable updates.

Refund Policy and Product Return. On a case-by-case basis, SmartAC reserves the right to authorize a full refund of any Hardware purchase made where a refund is requested within thirty (30) days of the Delivery Date. In such cases where a refund is approved, End User will return the Hardware to the SmartAC distributor or reseller which ordered the product or directly to SmartAC if the End User made such order itself. If the Hardware was ordered by a distributor or reseller, such distributor or reseller will coordinate with SmartAC for the return of the Hardware. In either case, Customer is responsible for shipping and insurance charges and any damage to the Hardware which takes place en route to SmartAC. SmartAC reserves the right to charge a nominal re-stock fee for any such returns.

Not For Sale or Resale. The Hardware is provided as part of a subscription service and may not be purchased for sale or resale purposes by Customer.

High Risk Uses. Customer will not knowingly use the Hardware for usage in connection with any high risk or strict liability activity (including, without limitation, air travel, space travel, firefighting, police operations, vehicle operations, power plant operations or power generation applications, transport management systems, military operations, rescue operations, hospital and medical operations or the like) whereby such usage could cause or contribute to damage to property or injury to persons.

Hardware Disposal/Recycling. SmartAC may recycle the Hardware following its use, upon request. Any disposal or recycling of the Hardware must be done in accordance with local government directives.

Export. Customer must comply with all export laws and restrictions and regulations of (i) the United States Department of Commerce (see www.bis.doc.gov/licensing/exportingbasics.htm), the United States Department of Treasury Office of Foreign Assets Control, or other United States or agencies or authorities, and (ii) of the country or countries in which Customer resides, is doing business in, is exporting to or alike. Furthermore, Customer will not export, or allow the export or re-export of the Hardware in violation of any such restrictions, laws or regulations. Additionally, Customer agrees to comply with the above and represents and warrants that it is not located in, under the control of, nor a resident of any restricted country.

Assortment of Jokes

Good job! That's it for the technical info. Take a break and enjoy a few laughs:

1. I like jokes. But jokes about air conditioners? ... Not a fan.
2. A HVAC repairman was on my street today and he asked me what time it was. I replied "It is between 1 and 8 pm."
3. Why are PCs like air conditioners? They stop working properly when you open Windows!
4. Always look for a HVAC technician that has their ducts in a row.
5. Two women were having lunch when Woman#1 casually exclaimed that just yesterday she found her husband dead in the living room. "Oh my gosh... what did you do?" said Woman#2. Woman#1 said, "the only thing I could think of when I need to get his attention... I adjusted the thermostat and he popped right up...."
6. SmartAC.com ... Making AC cool since 2020.
7. Did you know that the sun is the biggest space heater?
8. Never mess with the HVAC technician in winter ... He'll probably be packing heat.
9. HVAC tech to homeowner: "Your furnace has a few problems. But things could be a lot worse." Somewhat relieved, the homeowner replies: "Oh, that's good news." HVAC tech: "I know. It could be my furnace instead of yours. That would be worse."
10. Heater jokes? ... Uncool.
