SUBJECT: Confidentiality Request for **FCC ID: 2AVOA-SSM1** and IC: **25500-SSM1**

Pursuant to FCC 47 CRF 0.457(d) and 0.459 and IC RSP-100, Section 10, Loen Engineering Inc requests that a part of the subject FCC application be held confidential.

Permanent Confidentiality is requested for:

- Block Diagrams
- Schematics
- Parts List and Bill of Materials
- Tune Up Procedure
- Circuit Description and Hopping Algorithm

Loen Engineering Inc has invested substantial effort researching and developing this product over the past three years. Having the above information readily available through certifying body websites would provide an unfair advantage to our competition, resulting in financial hardship for Loen Engineering Inc.

The applicant requests permanent confidentiality for the exhibits listed above, as these items contain trade secrets and proprietary information that would not be released to the public.

Regards,

Andrew Loen, P.Eng.  
President  
Loen Engineering Inc.
