To whom it may concern:

Nalloy LLC, hereby requests a Permissive Change Class II of the radio equipment certification for the YRP0R7 certification number, FCC ID: 2AVOB-YRP0R7. This product differs from the originally approved product in the following manner:

- (a) Additional operating mode – Hybrid

I do attest that the Field strength and/or RF Output readings remained the same or are lower than the originally approved product and that they did not increase therefore qualifying this product for this application type.

Sincerely,
