

CMWA6600 – Enlight Collect Gateway

2AVQ2-CMWA6600 – Modification Letter

Rev B – Release 1.1 – April 5, 2022 - LGO

Hereby we

Name: SKF Sverige AB
Address: Aurorum 30.
City: 977 75 Lulea
Country : Sweden

declare that CMWA6600 Enlight Collect Gateway Release 1.1 will not include following functionality (hardware capability provided, but operation disabled by application firmware):

- 2nd Ethernet port
- NFC interface
- Internal antenna usage for cellular
- GSM support for cellular

Class II permissive change update allows for use of available Cellular UMTS/LTE modem (PLS62-W from Thales, no hardware change) with exclusive support for external antenna use and allows for external antenna support for mess sensor and WiFi/BLE radio options.

FCC radio compliance testing for release 1.1 only applicable for WiFi (2.4/5GHz) / BLE (2.4 GHz), mesh wireless sensor radio (2.4GHz) and cellular radio (bands 2, 4, 5, 7, 12, 18 and 19).

on our behalf,

Date: April 5, 2022
