Re: FCC ID: 2AVQR-5999-987517

To Whom It May Concern:

The following application is submitted on behalf of our client, Walt Disney Parks and Resorts US, Inc., for evaluation of their model 40005340 for a C2PC certification under FCC Part 15.247 and 15E.

C2PC is to address integration into a portable host device requiring SAR testing.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
