

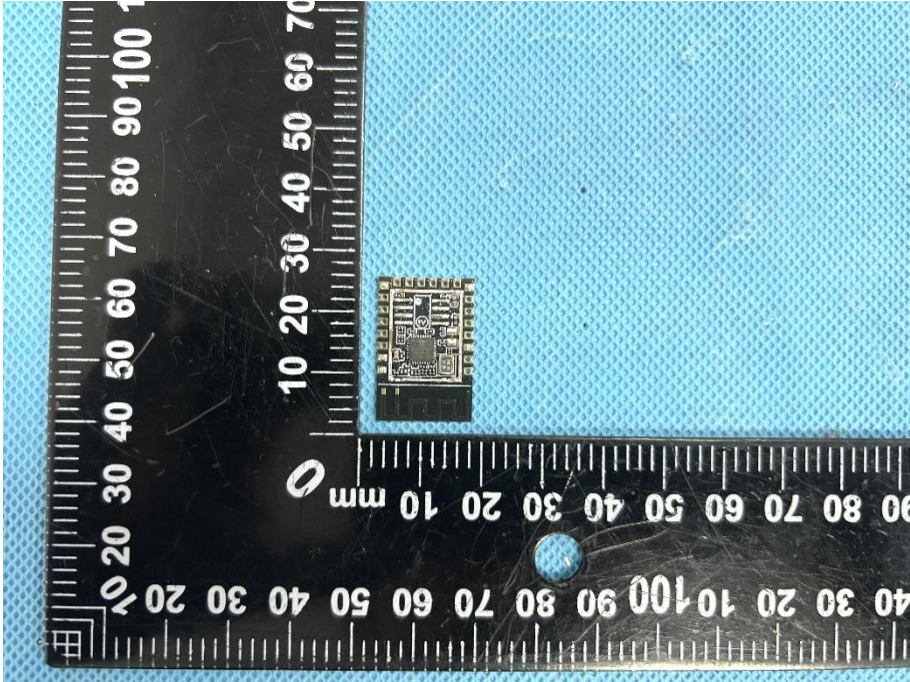

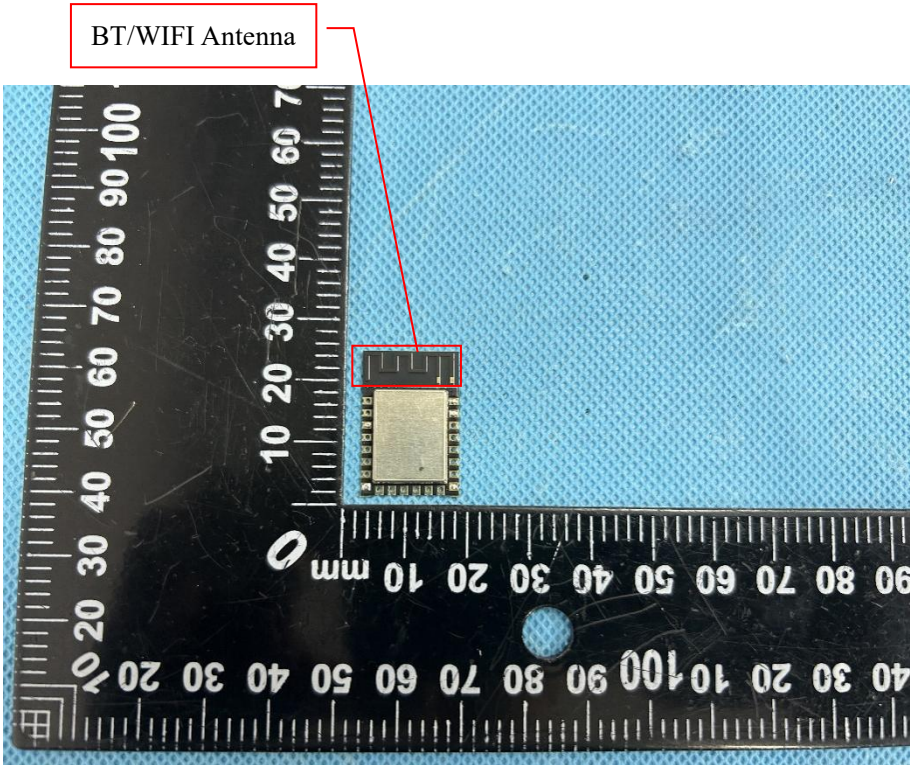

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>Solder Board-Component View 1</p>	 A photograph showing a small electronic component, likely a BT/WiFi antenna, mounted on a blue PCB. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 10 mm. The background is a light blue textured surface.
<p>Antenna View</p>	 A photograph showing the same electronic component from a different perspective. A red box highlights the top surface of the component, which is labeled "BT/WIFI Antenna" with a red arrow pointing to it. The component is placed on a black ruler with white markings, showing its length is approximately 10 mm. The background is a light blue textured surface.
