

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A photograph showing a small, rectangular, gold-colored component (likely a connector or chip) mounted on a blue textured surface. The component is positioned between two black rulers. The vertical ruler on the left shows markings from 0 to 100 mm, and the horizontal ruler at the bottom shows markings from 0 to 100 mm. The component is approximately 10 mm wide and 5 mm high.
<p>EUT View 2</p>	 A photograph showing the same component as in View 1, but from a different angle. The component is now oriented vertically, showing its top surface which has a grid of small, square markings. The rulers and background are the same as in View 1.
