

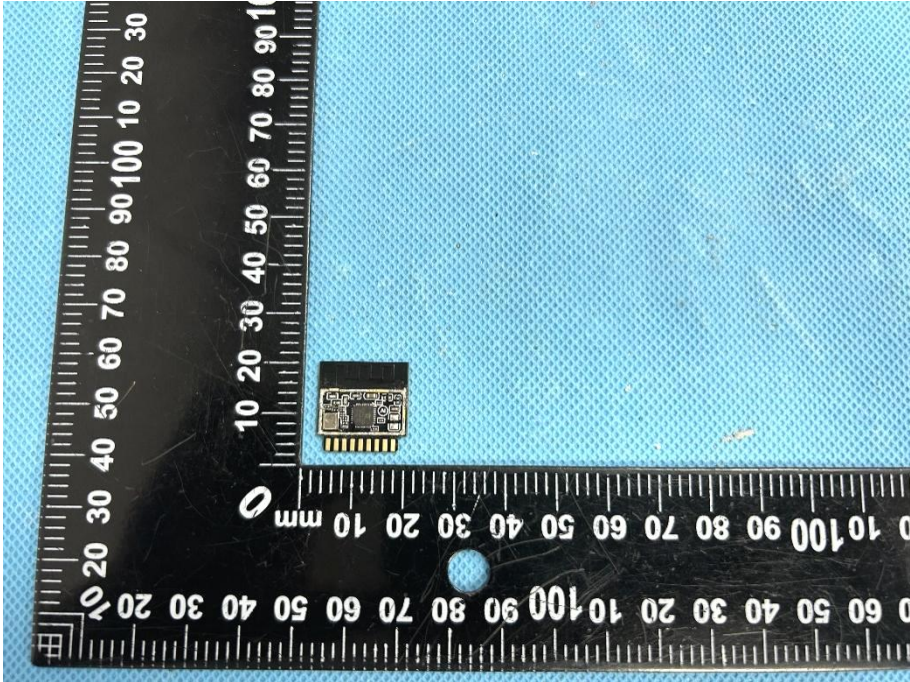

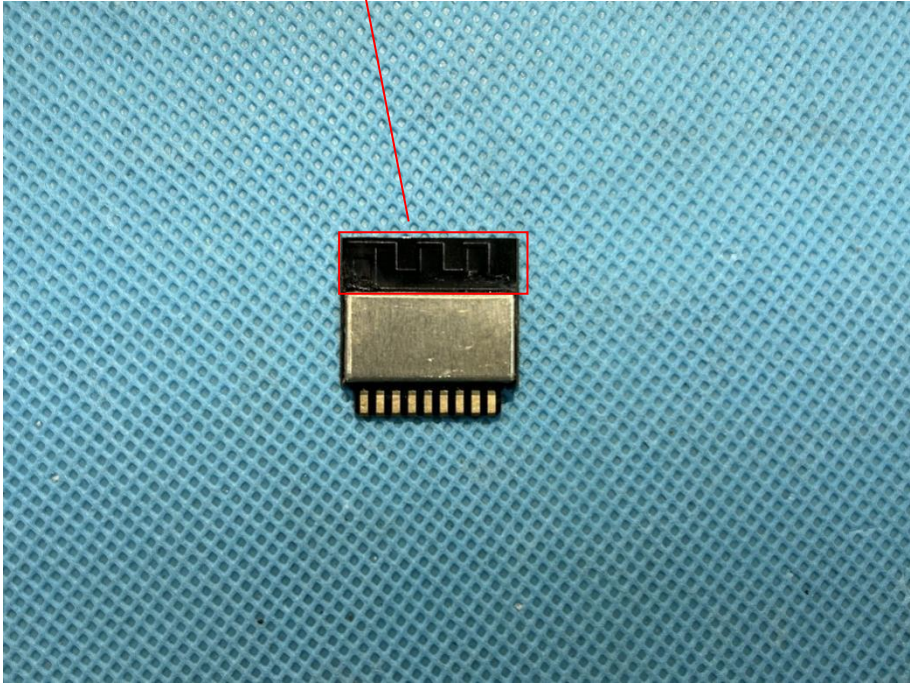

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>Solder Board-Component View 1</p>	 A photograph showing a small electronic component (likely a BT/WiFi antenna) soldered onto a blue PCB. A black ruler with white markings is placed next to the component for scale. The ruler shows measurements in millimeters, with the component positioned between the 10mm and 20mm marks. The component is a small, rectangular chip with gold-colored pins at the bottom.
<p>Antenna View</p>	<p>BT/WIFI Antenna</p>  A close-up photograph of the BT/WiFi antenna component. The component is rectangular with a gold-colored base and a black top section. A red box highlights the black top section, and a red line points from a text label "BT/WIFI Antenna" to this section. The component is mounted on a blue PCB.
