

June 24, 2020

To whom it may concern,

All Bnet radio systems sold or operated in the United States under the FCC ID: 2AVVL0BSXR1BNETV001 will meet the required spectrum efficiency standard of one voice channel per 6.5 KHz of channel bandwidth as specified in 47 CFR §90.203 (j) (5).

Address any questions or concerns to the undersigned.
