

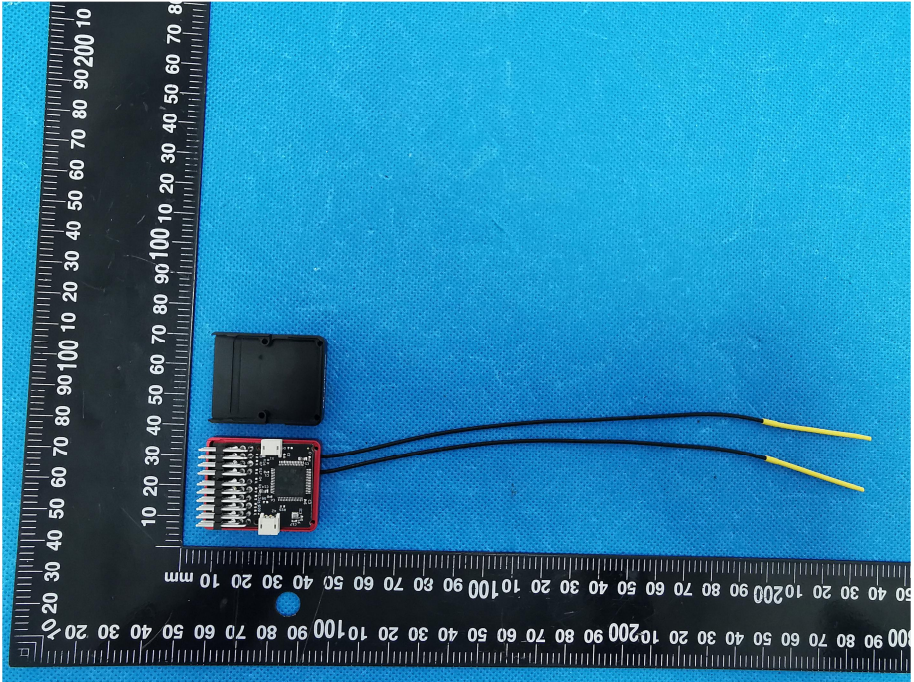

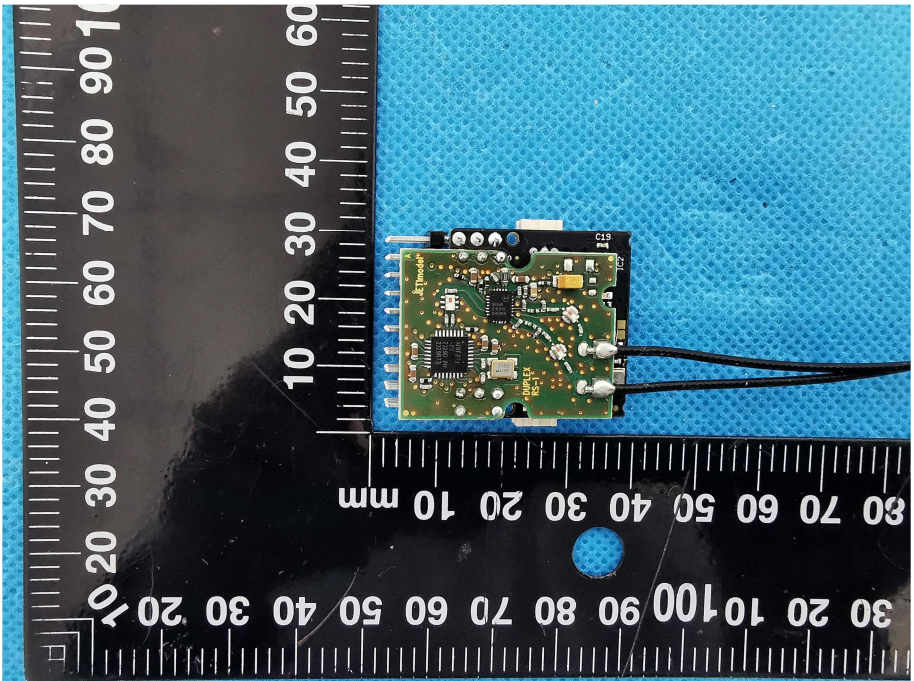

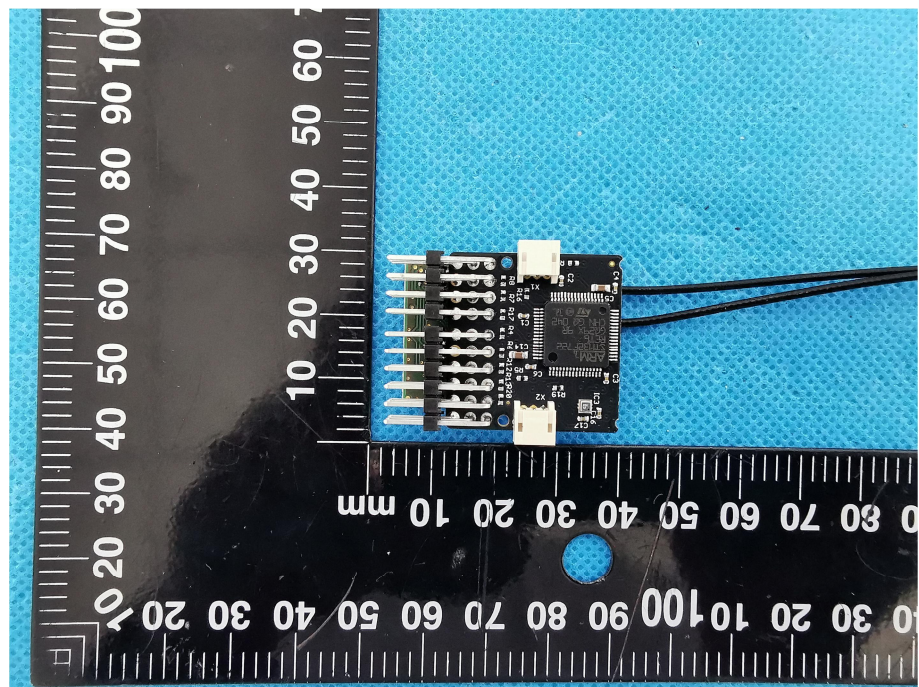

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the external components of the EUT. A black plastic housing is positioned above a red printed circuit board (PCB) which has a multi-pin connector. Two black wires with yellow insulation extend from the board. The components are placed on a blue textured surface next to a black ruler with white markings in millimeters and centimeters.
Solder Board-Component View 1	 A close-up photograph of the soldered components on the PCB. It shows various electronic components including resistors, capacitors, and integrated circuits. Two black wires are soldered to the board. The components are positioned next to a black ruler with white markings for scale.
