

**FCC ID: 2AWAS-901-00002**

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459) we are requesting to withhold the following attachments as confidential documents from the disclosure indefinitely.

Block Diagrams,  
Internal Photos  
Operation Description  
Tune-up Procedure/BOM Part List  
Schematics  
User Manual

Internal photos are kept confidential by virtue of the fact the end product is a non-consumer product, certified and housed in a sealed enclosure, and is only accessible by trained/approved maintenance personnel. All sales of the non-consumer device will be under NDA to include third party sales and that the final user of the device is subject to the NDA.

Above mentioned documents contain detailed systems and equipment description are considered as proprietary information in operation of the equipment. Further the Applicant has spent substantial effort in developing this product, some aspects of which are deemed to be trade secret and proprietary. The public disclosure of above documents might be harmful to our company and would give competitors and unfair advantage in the market.

In addition to the above-mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations at 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we are requesting to grant short-term confidentiality request on the following attachments

External Photos  
Test Setup Photos

It is our understanding that all measurement test reports, FCC ID Label format, and correspondence during certification review process cannot be granted as confidential documents and that information will be available for public review once the grant of equipment is issued.
