

Mavenir Systems, Inc.
Request for Class II Permissive Change

FCC ID: 2AWAS-910-00021

Date: 2021-05-16

TO: Federal Communication Commission

Please be notified that we, the undersigned, Mavenir Systems, Inc. declare that the reasons for this Class II permissive change are as below:

Adding a new version to the original part by removing the integrated antennas and adding antenna ports for use with external antennas for which the antenna gain should be no more than 4dBi as shown in original test report. All active and passive circuitries are the same as the original parts.

Thank you.
Sincerely,
