

Size: 210 mm (W) x 297 mm (H)

Unique identifier
FGTEEV Baggo Beans Fart Machine
Model Number: 435

FCC compliance statement:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution:

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Information to user:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/ TV technician for help.

Responsible party information:

Bonkers Toy Company, LLC
8787 Complex Drive, Suite 206

Front

Please keep outer packaging and instructions (if included) for future reference, as they may contain important information.

RoHS statement:

The Wheelie bin symbol indicated that the product and the batteries must not be disposed of with other household waste as they may contain elements which can have a harmful effect on the environment and human health. Please use designated collection points or recycling facilities when disposing of the item and the batteries. To help locate your nearest facility see: www.recyclenow.com

Battery Instruction:

- Do not mix old and new batteries.
- For best performance use only batteries recommended.
- Ensure batteries are inserted using the correct polarity.
- Different types of batteries or new and used batteries are not to be mixed.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Keep packaging for reference since it contains important information.
- Remove exhausted batteries from unit and dispose of in accordance with battery maker's recommendations.
- Do not attempt to recharge non-rechargeable batteries.
- Rechargeable batteries should only be charged under adult supervision.
- Remove rechargeable batteries from the toy before charging.
- The supply terminals are not to be short circuited.
- Remove batteries if the toy will not be used for an extended period of time.
- Use a screwdriver to open the battery compartment door and replace old batteries.
- **WARNING:** Dispose of used batteries immediately. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
