Columbia, MD 21046

To Whom It May Concern,

The chip installed in our product GPS Tracker (model name: H19P),
FCC ID:2AWBA-H19P), which supports GSM voice and GPRS. But for the
product, it only activates GPRS, the other functions have been shielded though
software and the end user cannot activate.

Please contact me if there is need for any additional clarification or information.

Best Regards,

Sincerely Yours,
