Joshua Carton or Authorized Representative of Curien LLC  
1142 Eubank Ave  
Wilmington, CA 90744

Dear Mr. Carton,

You have my permission to file with the FCC for a change in FCC ID for the N2 Neuron multimeter, which is functionally identical with regard to the radio and electronics performance as the Mooshimeter multimeter, part number DMM-BLE-2x01A, further identified by:

- FCC ID: 2ACIW-DMMBLE1 granted 2014 - 09 - 12
- IC: 12061A-DMMBLE1 granted 2014 - 06 - 06

You also have permission to use our test reports generated certifying the Mooshimeter in your certification process for the N2 Neuron.

Best regards,

A handwritten signature in black ink, appearing to read 'James Whong', written in a cursive style.

James Whong

Principal, Mooshim Engineering LLC
