### HOW TO OPERATE YOUR TRANSCEIVER

1. Remove screw and open battery door and snap in a 3x1.5V "AAA" size batteries (Alkaline batteries recommended)
2. Press the "push to talk" switch for transmitting.
3. Release "push to talk" switch for receiving.
4. When transmitting, speak clearly in a normal voice, holding the set about 3" from your mouth.
5. Best transmission and reception are obtained when the antenna is held in a vertical position, and fully extended.

### FCC ID: 2AWPAFE198005DGC

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

### NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

**Operation performance will be affected by surrounding Structures, buildings or electronic equipment. For best performance, use the walkie talkie in an open area.**

### ATTENTION:

Remove all plastic tie & packaging before giving this toy to a child.

**WARNING!** Not suitable for children under 5 years. Small parts. Choking hazard.

Product contents, specifications & colors may vary from illustration.

Please retain all information for future reference.

### CAUTION:

1. Your transceiver set has been fully adjusted prior to shipment from the factory and be sure not to touch the internal components other than battery.

2. When the sound becomes weak, it is time to change the battery.

3. After use, always return the ON/OFF switch to the OFF position.

4. Keep your set in dry and clean place.
