

## Ad Hoc Mode and Wi-Fi direct Function Declaration

Date: 2020-09-17

FCC ID : 2AWVMPRUDENT1717

To whom it may concern:

We,

PIXXGEN Corporation, declare that the This product doesn't have Ad Hoc Function and Wi-Fi direct on "non-US frequencies" and/or "on DFS frequencies". In non-associated mode, that software and associated drives will not initiate any transmission on DFS frequencies. This includes transmissions for beacon ad-hoc peer-to-peer modes.

Sincerely,

DATE

17 Day of September 2020
