### Parts

### Package Contents

Open the package and check to see if it contains the following items.  
If anything is missing, please contact LS03 supplier.

1x Product	1x Power Adapter	1x User Manual
------------	------------------	----------------

### Technical parameters

Model	LS03
Power Supply	Input AC100-240V 50/60Hz, Output DC12V/2A
Rated Power of Product	20W
Rated Power of Lamp	5W
Light Source	High photosynthetic efficiency semiconductor LED
Color Temperature	2700-6500K
Color Rendering Index (CRI)	Ra≥90
Max Illuminance	≥800LUX (From 25cm distance)
Wireless Charging Output	10W (MAX)
Item Number	ABKO-LS-03-WH
Manufacturer	ABKO
FCC ID	2AWXK-LS03

CE FC RoHS

Made in China

### Instruction

#### 1. Function

- Put the lamp on the table and connect to the power outlet.
- Press the On/Off button to switch on the light.
- Press the On/Off button again to switch off.
- Press the color mode button to change the color temperature. (Natural-White-Warm)

#### 2. Brightness Adjustment

### 3. Timer Function

- When the light is turned on, long press the timer button to start the timer function.
- When the light flashes twice, the countdown will begin.
- The light will turn off automatically in 40 minutes.
- To reset the timer to 40 minutes, long press the timer button again.

### Wireless Charging Instruction

#### Wireless Charging Function

- When the lamp is connected to a power outlet, place a smartphone that has a wireless charging function on the center area of the lamp.
- The smartphone is charging when the wireless charging indicator turns green.
- If the wireless charging indicator flashes in green, it means that the smartphone is not charging.
- If the wireless charging indicator turns yellow, it means that the charging is completed.
- Make sure that the smartphone is properly placed at the center of the lamp to activate the charging.

### Cautions

1. Please make sure the input power is matching DC12V / 2A.
2. If the power adapter or cable is damaged, please get a replacement from a qualified electrician.
3. This lamp is for indoor use only.
4. Please do not directly stare at the light from a close distance. It may hurt your eyes.
5. Keep the lamp away from an electromagnetic source as it can interfere with the light.
6. Do not tilt the head of the lamp beyond its limit as it may get damaged.
7. Please make sure the lamp is placed on a flat surface so that it would not fall off a desk.

### FEDERAL COMMUNICATIONS COMMISSION (FCC) STATEMENT

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

### WARRANTY

All warranty service is provided by our factory service center, or an authorized customer care technician. If you have any inquiry, please visit our website or email us. Please check below information. To schedule your service, please have your serial number and your model number available for service.

- Website : <https://abkoglobal.com/contact-us/>
- E-mail : [cs\\_support@abko.co.kr](mailto:cs_support@abko.co.kr)

For the period of	1 year from the date of the original purchase ( * 6 months for motors )
ABKO will replace	ABKO will replace free of charge the part that proves defective in material and manufacturing workmanship, under normal installation, use and service.

### What ABKO will not cover

- Failure of the product if it is abused, misused, modified, or used for other than the intended purpose or used commercially.
