

**Model # 9001 012 00**  
**NordZone Air quality monitor**  
**upgrade-kit**

- Function in FW is searching for AQS. If no AQS is present then AQM will not operate.
- The setting is set in production

**Model # 9001 012 01**  
**NordZone Air quality monitor**  
**Stand alone**

- Fully operational from the box.
- HW and FW is identical to the upgrade-kit.
- Only difference is a setting set in the final step in production
