FCC ID: 2AXF3-URHM1140

IC: 26449-URHM1140

To whom it may concern,

The Uhnder Radar modules UR-HM1140-1, UR-HM1140-2 and UR-HM1140-3 are identical electrically, mechanically and operate with the same firmware. The only difference between devices is the length of the attached cable.

Signed,

Mickey Malone, VP of Operations
