Subject: Request for **Permanent Confidentiality**

FCC ID: 2AXF3-URHM1140

To Whom It May Concern:

In accordance with §0.457(d) and §0.459 of CFR 47, and KDB 726920, **Uhnder Inc.** hereby requests permanent confidentiality for documents filed under the following exhibit types:

1. Block Diagram
2. Schematic Diagram
3. Operational Description
4. Internal Photos
5. User Manual

These items contain detailed system and equipment description and related information about the product which **Uhnder Inc.** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. All the materials stated above are strictly controlled on internal company servers and are not released to any non-company entity or individuals without an NDA. The product is not serviceable by third party entities. Since this design is a basis from which future technological products will evolve, **Uhnder Inc.** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

We are aware that exhibit types *cover letters, attestations, label document, test reports, RF exposure information (SAR and MPE reports)*, cannot be requested to be classified confidential and are thus subject to publication, as will be documents of all other exhibits types for which we have not requested a confidentiality classification.

Best Regards,
