Date: February 11, 2022

Subject: Limited Modular Approval for FCC: 2AXF5-VERMEER2

To Whom It May Concern:

Vermeer Manufacturing Company is seeking LMA approval on the Radio Apparatus Module. The module is approved ONLY for use by Vermeer Manufacturing Company in our products, and the module is not intended for sale to the third parties.

The Radio Apparatus Module is controlled by proprietary firmware. The end product customer cannot adjust firmware to operate the device on any other regulatory frequency bands, modulation types, bandwidth, power, etc. outside of the FCC approved modes as granted.

Thank you,

By: Daniel Huitink
