Federal Communications Commission  
7345 Oakland Mills Road  
Columbia, MD 21046

Dear Madam or Sir,

We, Smart Tracking Technologies LLC of 4887 Belfort Road, Suite400 Jacksonville, FL 32256, seek to file an FCC Class II Permissive Change application to the LTE-Cat M1 module with the model name STNRF9160 FCC ID: 2XAHHRNF9160 original grant data 10/23/2020.

The reason for this application is to change the operation from Mobile to Portable to be included in the product Link, Model number LT3A FCC ID: 2AXHH-LT3A in a forthcoming filing.

The Link device includes the LTE-Cat M1 module which is co-located with a Bluetooth Low Energy radio in FCC ID: 2AXHH-LT3A and the integrated Wi-Fi 802.11bgn module FCC ID: 2ABPY-5B9198.

Sincerely,

A handwritten signature in blue ink, appearing to read "J T McKee".

Joseph T McKee  
Chief Technical Officer
