External Labeling Request

To whom it may concern,

Based on the guidance of KDB 784784 D01, Section 3, FLARM Technology AG, has determined that external labeling on their product would not be practical based on the size of the product. Due to the size of the product, it is impracticable to label with a four points font size.

The labeling of the product on the packaging is pictured below:

In addition, the labeling disclosure may also be found in the manual as pictured below:

Sincerely,
